LAST STAND of the WOLVES CJ Candel, 2012-07-30 A rare divine intervention occurs that enables the spirits of wolves that were killed 100 years ago to manifest themselves in a wooden structure that was made by a shepherd the man responsible for their deaths back in the early 1900 s This wooden structure is amongst the items belonging to this shepherd that were kept in his shed after he d been dead for many years The property is being sold so the contents of what is left in this shed after being vandalized is sorted and the trash is hauled off to the city dump On the way there the stand is intercepted by the niece of this shepherd who claims it only because it has sentimental value She is unaware that the spirits of 31 wolves inhabit this stand that have cleverly chosen her as their medium at a time when their own species is endangered by extinction despite the laws that were established to protect them They are back 100 years into the future to assure their survival and proclaim their rights to live They make themselves visible to her which totally consumes her every day life in order to make a stand She seeks the guidance of a tribal medicine man his image visible with the steam of her shower in her vanity mirror that leads her to him The Spirit wolves are only here to save their species from extinction when the wolf population is down to only a few known survivors in the year 1998 She meets the man in the mirror who is a tribal medicine man who knows all about her and her obligations to save the wolves Together they summon the spirit wolves and send them back to where they came This story is sure to captivate audiences with it s abundance of human emotion and supernatural activity that sets off any imagination with the possibility of it s true existence in our world today and based on a true story Their message is a warning to mankind that time is of the essence Our last chance to unite as one working together to protect all wild creatures of the earth and the correlation between preserving their existence and saving our own planet from permanent destruction The year is 2012 and time is of the essence According to the calculations of the Mayan Calender the end is near On the Wrong Side of Just about Everything, But Right about It All Dale Crowley Jr., 2005 The pages of this book contain incontrovertible proof that our Lord was crucified and buried on Wednesday not Friday that those left behind are God s people not the wicked that America s heritage is Christian not Judeo Christian that Israel first Scofield dispensationalism is unbiblical and dangerous that the invasion and occupation of Iraq was a terrible mistake and that many other myths dogmas shibboleths and deceptions of Christianity today should be discarded and replaced by truth These controversial and sometime explosive issues are dealt with by the author carefully thoroughly courageously and biblically The astonishing thing about these studies and commentaries is that they were actually broadcast since 1979 on the Washington D C region s oldest and most influential Christian radio station WFAX 1220 p 4 Cover *Physiological and Medical Observations Among the Indians of Southwestern United States and Northern Mexico* Aleš Hrdlička, 1908 **Hall of Fame Baseball Cards** Bert Randolph Sugar, 1978 Full color detachable facsimile reproductions both front and back of 92 authentic baseball cards Among the players are Hornsby Young McGraw Stengel Rickey Gehrig Williams Mantle Spahn Robinson
