**A Spiritual Exposition of the Old Testament ... Or, the Christian's Gospel Treasure, Etc. (A Spiritual Exposition of the New Testament, Etc.).** John Allen, 1816 **Justice and Righteousness in the Old Testament** Ulrich Berges, 2025-06-16 The phenomena of slavery and asymmetrical dependencies in the writings of ancient Israel cannot be adequately addressed without also looking at the discourses on divine and human justice Only then does the position of the slaves in their uniqueness become clear because they are almost completely left out of the moral demand for justice that otherwise applies to the poor widows orphans and strangers Their status as property which only in exceptional cases allowed them to be considered as subjects with personal rights dominates the discourse On a theological level the phenomenon of slavery also influenced the Old Testament image of God as YHWH himself became the owner of his people Liberation from slavery in Egypt lead not to freedom but to permanent dependency on the liberating God However radical dependency on YHWH also means that the divine master must protect the righteous Otherwise YHWH would degenerate into an arbitrary tyrant The demand for justice binds the divine sovereign If one examines the discourses of justice in the Hebrew Bible about the position of slaves their deficits become particularly visible This should urge caution in declaring the biblical writings to be the forerunners of human rights

Allison, Jr.,2004-06-15 For over one hundred years the International Critical Commentary series has held a special place among works on the Bible It has sought to bring together all the relevant aids to exegesis linguistic and textual no less than archaeological historical literary and theological with a level of comprehension and quality of scholarship unmatched by any other series No attempt has been made to secure a uniform theological or critical approach to the biblical text contributors have been invited for their scholarly distinction not for their adherence to any one school of thought The first paperback editions to be published cover the heart of the New Testament providing a wealth of information and research in accessible and attractive format **Through Baca's Vale, Or, Daily Words for Zion's Wayfarers** Joseph Charles Philpot,1893

**The Spiritual Magazine, or the Christian's grand treasure: comprising a compleat body of divinity ... in a series of dialogues, etc** John Allen,1810 **God, Grace, and Righteousness in Wisdom of Solomon and Paul's Letter to the Romans** Jonathan A.
