The Layman's Guide To Rightly Dividing The Word of Truth Karry Easley, 2019-06-10 Inside this book are guidelines that I believe one must follow if they are to rightly understand God's Word If we follow these guidelines we will be able to know God's will and his truth God does not intend for us to know everything in this life for faith is crucial to the Christian life but that which He is willing to share is there inside His Word However one must know how to approach it This book not only show you how to do this but gives examples of it being applied It also covers many biblical doctrines using this format to show how these doctrines must be understood

Rightly Dividing the Word of Truth Fred S. Wolfe II, 2012-06 This book encompasses all major events recorded in the Bible from the destruction of the planet Earth between the first two verses of Genesis the new doctrine of the Age of Grace delivered to the Apostle Paul by Jesus Christ himself details of the Great Tribulation as prophesied by Daniel the believers of today reigning with Jesus in his Millennial Kingdom and the new heaven and earth where the streets are paved with gold Get ready for the read of your life Fred Wolfe has dedicated his life to examining the history practice and interpretation of the word of God The Bible is too often misquoted and this book will help to shed light on some common misconceptions challenging the reader to strengthen their understanding of God With scholarly evidence and reasoning he has written a blueprint of the Bible's inception as well as the deepest meanings of its words By closely examining one's understanding of the word of God they will find a faith and clarity so absolute that it can never be shaken This book is a must read no matter where one is in their walk with God Pastor Matthew Barnett Co Founder of the Dream Center
