Rip Van Australia:

Rip Van Australia John Singleton, Robert Howard, 1977 Anthology Of Australian Colonial Gothic Fiction Ken Gelder, Rachael Weaver, 2013-05-31 Grisly corpses ghostly women and psychotic station owners populate an unforgiving landscape that is the stuff of nightmares These compelling stories are the dark underside to the usual story of colonial progress promise and nation building and reveal the gothic imagination that lies at the heart of Australian fiction This anthology collects the best examples of colonial Australian gothic short stories by authors such as Marcus Clarke Hume Nisbet Henry Lawson and Katherine Susannah Prichard among others **Free Market Missionaries** Sharon Beder, 2012-06-25 In her recent book *Suiting Themselves* bestselling author Sharon Beder exposed how the global corporate elite have brazenly rewritten the rules of the global economy to line their pockets In this new book she trains her sights on the insidious underbelly of this global trend to show how they have also orchestrated a mass propaganda campaign to manipulate community values and convince us that their interest co-opting and controlling all of us in the name of the free market is in our interest During the 20th century business associations coordinated mass propaganda campaigns combining 20th century American PR methods with revitalized free market ideology from 18th century Europe The aim was to persuade people to eschew their own power as workers and citizens and forego their democratic power to restrain and regulate business activity Sophisticated corporate funded think tanks augmented these campaigns in the 1970s and 1980s promoting free enterprise and business friendly policies These free market missionaries now seek to change individual and institutional values through bolder strategies such as expanding share ownership and manipulating wider public concerns In each case the goal is the same the triumph of business values over community values Beder's is an intellectual call to arms challenge the ideology of the free market missionaries or be converted to it *Australia's Lost Films* Ray Edmondson, Andrew Pike, 1982 *Australia's Lost Films* was published by the National Library of Australia to coincide with THE LAST FILM SEARCH a project to find as many of these important films as possible and commit them to the care of the National Film and Sound Archive But with its many photographs and a complete checklist of silent feature films 1896-1930 the book stands as an important record of a necessarily little known part of Australia's cinematic past An Australian Rip Van Winkle, and Other Pieces: Being a Sketch-Book After the Style of Washington Irving William Hay, 2017-08-12 Trieste Publishing has a massive catalogue of classic book titles Our aim is to provide readers with the highest quality reproductions of fiction and non-fiction literature that has stood the test of time The many thousands of books in our collection have been sourced from libraries and private collections around the world The titles that Trieste Publishing has chosen to be part of the collection have been scanned to simulate the original Our readers see the books the same way that their first readers did decades or a hundred or more years ago Books from that period are often spoiled by imperfections that did not exist in the original Imperfections could be in the form of blurred text photographs or missing pages It is highly unlikely that this would occur

with one of our books Our extensive quality control ensures that the readers of Trieste Publishing s books will be delighted with their purchase Our staff has thoroughly reviewed every page of all the books in the collection repairing or if necessary rejecting titles that are not of the highest quality This process ensures that the reader of one of Trieste Publishing s titles receives a volume that faithfully reproduces the original and to the maximum degree possible gives them the experience of owning the original work We pride ourselves on not only creating a pathway to an extensive reservoir of books of the finest quality but also providing value to every one of our readers Generally Trieste books are purchased singly on demand however they may also be purchased in bulk Readers interested in bulk purchases are invited to contact us directly to enquire about our tailored bulk rates
