Rip It Up And Start Again Postpunk 1978 1984:

Rip It Up and Start Again Simon Reynolds, 2006-02-17 A landmark history of post punk the basis of the documentary film directed by Nikolaos Katranis Renowned music journalist Simon Reynolds celebrates the futurist spirit of such bands as Joy Division Gang of Four Talking Heads and Devo which resulted in endless innovations in music lyrics performance and style and continued into the early eighties with the video savvy synth pop of groups such as Human League Depeche Mode and Soft Cell whose success coincided with the rise of MTV Full of insight and anecdotes and populated by charismatic characters Rip It Up and Start Again re creates the idealism urgency and excitement of one of the most important and challenging periods in the history of popular music *Rip it Up and Start Again*, 2006 *Rip it up and start again* Simon Reynolds, 2007

Litpop: Writing and Popular Music Rachel Carroll, Adam Hansen, 2016-05-13 Bringing together exciting new interdisciplinary work from emerging and established scholars in the UK and beyond Litpop addresses the question how has writing past and present been influenced by popular music and vice versa Contributions explore how various forms of writing have had a crucial role to play in making popular music what it is and how popular music informs literary writing in diverse ways The collection features musicologists literary critics experts in cultural studies and creative writers organised in three themed sections Making Litpop explores how hybrids of writing and popular music have been created by musicians and authors Thinking Litpop considers what critical or intellectual frameworks help us to understand these hybrid cultural forms Finally Consuming Litpop examines how writers deal with music s influence how musicians engage with literary texts and how audiences of music and writing understand their own role in making Litpop happen Discussing a range of genres and periods of writing and popular music this unique collection identifies theorizes and problematises connections between different forms of expression making a vital contribution to popular musicology and literary and cultural studies *Punk Rock and German Crisis* C. Shahan, 2013-12-04 1977 is usually associated with West

German terrorism but it witnessed another cultural watershed punk music A new reckoning with the legacy of political and aesthetic spaces this book argues the centrality of punk music for understanding crises of state and terrorist violence American racism and German fascism and aesthetic production

What Do You Call It? From Grassroots to the Golden

Era of UK Rap David Kane, 2024-11-12 Friday 28 July 2019 Eleven years after Jay Z became the first hip hop artist to headline the Pyramid Stage at Glastonbury Stormzy finally became the first English rapper to follow suit The South London rapper wearing a customised stab proof vest designed by Banksy put in an explosive performance and finished his set by thanking many of the legends for paving the way name checking the likes of Wiley Dizzee Rascal and Giggs Yet British rap has a nuanced rich and often misunderstood history that factors in socioeconomics gender identity music industry disruption and innovation Despite how unlikely it looked for decades UK rap is now firmly part of pop music and the greater hip hop canon What Do You Call It charts the journey of UK rap music over nearly forty years It begins in the early 1980s when rap

landed on our odd little island Imported through the electro driven hip hop of Afrika Bambaataa the sound was shaped by sound system culture inspired by punk and accelerated by rave The result is a music that does not stand still From Britcore to UK hip hop via the deep outer reaches of trip hop in the late twentieth century through to the tumultuous opening decades of the twenty first century and the urban claustrophobia of MC driven garage grime and drill Through a combination of cultural theory historical research and dozens of interviews with the scene protagonists including Jazze B Klashnekoff Skinnyman and Wiley through to contemporary artists like Tion Wayne and Loyle Carner the book tells the origin stories of classic albums and mixtapes anthemic singles vital scenes long forgotten but important labels and the artists who would change the course of British music and culture

A Life in 16 Films Steve Waters,2021-06-03 Steve Waters examines how the very idea of film has defined him as a playwright and a person in this book Through the the lens of cinema it provides a cultural and political snapshot of life in Britain from the 2nd part of the 20th century up to the present day The films spanning almost a century starting with *The White Hell of Pitz Palu* 1929 and moving most recently to *Dark Waters* 2019 each chapter examines aspects of Waters s journey from his working class Midlands upbringing to working in professional theatre to living through the Covid epidemic through the prism of a particular film From *The Wizard of Oz* to *Code Unknown* from sci fi to documentary from queer cinema to world cinema this honest comic book offers a view of film as a way of thinking about how we live In doing so it illuminates culture and politics in the UK over half a century and provides an intimate insight into drama and writing

Hot Stuff Alice Echols,2011-03-22 Only nominally about the watered down funk music that was disco Echols history instead focuses on disco s social effects particularly the rise of gay consciousness and the mainstreaming of the gay rights movement

Punk Beyond the Music Iain Ellis,2024-08-12 *Punk Beyond the Music* Tracing Mutations and Manifestations of the Punk Virus expands the conversation about punk from a focus on the musical genre to its surrounding cultural manifestations Focusing on some of the most recurring practices and characteristics of punk culture DIY attitude outsider identities symbols and politics Iain Ellis engages many illustrative examples to investigate punk beyond the music without losing sight of its significance Early chapters look at arts that have always existed within the punk subculture writings visual arts films and humor subsequent sections examine areas rarely recognized as exhibiting punk characteristics such as education sports crafts and comics Taken together the chapters invite readers on an extensive and unpredictable journey through the evolution of punk s developments and adaptations

Zerox Machine Matthew Worley,2024-05-13 A visual history of the artists fans and fanzines of widely influential British punk *Zerox Machine* is an immersive journey through the vibrant history of British punk and its associated fanzines from 1976 to 1988 Drawing on an extensive range of previously unpublished materials sourced from private collections across the United Kingdom Matthew Worley describes and analyzes this transformative era providing an intimate glimpse into the hopes and anxieties that shaped a generation Far more than a showcase of covers *Zerox Machine* examines the fanzines themselves offering a rich tapestry of

firsthand accounts personal stories and subcultural reflections With meticulous research and insightful analysis this book captures the spirit and essence of British youth culture shedding new light on a pivotal movement in music history and offering a unique alternative history of Britain in the 1970s and 80s **The Devil's Triangle** Mark Judge,2022-11-28 Do you remember the woman in To Kill a Mockingbird who falsely accuses a black man of raping her What could possess anyone to do such an evil thing to viciously attempt to destroy a life by knowingly lying For that answer look no farther than the riveting and gloriously candid The Devil s Triangle by Mark Judge who himself was targeted for destruction by that same evil and who lived to tell the tale if only so that we might all recognize the dark forces at work in our nation In a voice evoking J D Salinger Hunter S Thompson and yes Lester Bangs within a narrative that brings to mind All the President s Men and Fast Times at Ridgemont High Judge tells us the truth in all of its brutality and beauty May this book open the way for a spate of similar memoirs whose honesty will lead this once great nation out of the fetid triangular swamp of lies that is this brave book s eponymous Devil s Triangle and toward a new sunlit frontier in which genuine liberty and unvarnished truth once more become our beacons and our hope Eric Metaxas 1 New York Times Bestselling author of Fish Out of Water A Search for the Meaning of Life and Host of Socrates in the City In 2018 in the midst of a contentious Supreme Court confirmation battle Christine Blasey Ford named Mark Judge as a witness to her alleged attempted rape over thirty years earlier at the hands of a teenaged Brett Kavanaugh Overnight the unassuming writer critic videographer and recovering alcoholic was unwillingly thrust into the national media spotlight Reporters combed through Judge s writings pored over his high school yearbook hounded him with emails and phone calls and invaded the privacy of his relatives friends and former girlfriends He was mauled in the press denounced in the Senate received threatening late night calls became the target of a classic honey trap and was even called out by Matt Damon on Saturday Night Live As the lunacy reached its crescendo Judge began to fear for his sanity and even his life A year later still traumatized by this Kafkaesque experience Judge found himself washing dishes in a Maryland restaurant trying to piece his shattered life back together Even at the time it was clear that Judge himself was not the target of this campaign of vilification Instead it was an attempt to use his spotty record as a teenage alcoholic and later a political and cultural conservative to destroy Brett Kavanaugh by proxy The actors in this malicious and cynical plot were an informal cabal of partisan reporters Democrats in Congress and shadowy opposition researchers a Devil s Triangle whom Judge aptly compares to the Stasi the dreaded East German secret police who terrorized citizens during the Cold War Now in a frank confessional and deeply moving book that stands comparison to Arthur Koestler s Cold War classic Darkness at Noon Judge rips the mask from the new American Stasi Using pop culture politics the story of his friendship with Kavanaugh and the fun wild and misunderstood 1980s Judge celebrates sex art and freedom while issuing a timely warning to the rest of us about our own endangered freedoms **A Kiss across the Ocean** Richard T. Rodríguez,2022-08-08 In A Kiss across the Ocean Richard T Rodr guez examines the relationship between British post punk musicians and their Latinx

audiences in the United States since the 1980s. Melding memoir with cultural criticism, Rodríguez spotlights a host of influential bands and performers including Siouxsie and the Banshees, Adam Ant, Bauhaus, Soft Cell, Frankie Goes to Hollywood, and Pet Shop Boys. He recounts these bands' importance for him and other Latinx kids and discusses their frequent identification with these bands' glamorous performance of difference. Whether it was Siouxsie Sioux drawing inspiration from Latinx contemporaries and cultural practices or how Soft Cell singer Marc Almond's lyrics were attuned to the vibrancy of queer Latinidad, Rodríguez shows how Latinx culture helped shape British post-punk. He traces the fandom networks that link these groups across space and time to illuminate how popular music establishes and facilitates intimate relations across the Atlantic. In so doing, he demonstrates how the music and styles that have come to define the 1980s hold significant sway over younger generations equally enthused by their matchlessly pleasurable and political reverberations. **Red Set** James Dooley, 2018-06-19. Based on detailed interviews with band members, *Red Set* considers the music, art, and politics that shaped Gang of Four and how the band in turn left an indelible mark on popular music. In the autumn of 1976, two young British Fine Arts students travelled to New York on a university grant but instead of merely studying ended up staying with one of the city's pioneering punk journalists, visiting the Museum of Modern Art by day and hanging out in punk epicentre CBGBs by night. It is from this trip that Gang of Four emerged. Blending revelations from interviews with the band conducted by the author with snippets from newspaper articles and record reviews, Jim Dooley tells the history of Gang of Four as they remember it. From their days at art school through countless tours, records, and reunions, *Red Set* is the definitive history of one of Britain's greatest and most influential bands. *Britishness, Popular Music, and National Identity* Irene Morra, 2013-10-30. This book offers a major exploration of the social and cultural importance of popular music to contemporary celebrations of Britishness. Rather than providing a history of popular music or an itemization of indigenous musical qualities, it exposes the influential cultural and nationalist rhetoric around popular music and the dissemination of that rhetoric in various forms. Since the 1960s, popular music has surpassed literature to become the dominant signifier of modern British culture and identity. This position has been enforced in popular culture, literature, news, and music media, political rhetoric, and in much popular music itself, which has become increasingly self-conscious about the expectation that music both articulate and manifest the inherent values and identity of the modern nation. This study examines the implications of such practices and the various social and cultural values they construct and enforce. It identifies two dominant conflicting constructions around popular music: music as the voice of an indigenous English folk and music as the voice of a re-emergent British Empire. These constructions are not only contradictory but also exclusive, prescribing a social and musical identity for the nation that ignores its greater creative, national, and cultural diversity. This book is the first to offer a comprehensive critique of an extremely powerful discourse in England that today informs dominant formulations of English and British national identity, history, and culture. Alternative Rock, **Beyond No Future** Mirko M. Hall, Seth Howes, Cyrus M. Shahan, 2016-09-08

The first book of its kind in English *Beyond No Future* Cultures of German Punk explores the texts and contexts of German punk cultures Notwithstanding its no future sloganeering punk has had a rich and complex life in German art and letters in German urban landscapes and in German youth culture *Beyond No Future* collects innovative methodologically diverse scholarly contributions on the life and legacy of these cultures Focusing on punk politics and aesthetics in order to ask broader questions about German nationhood s in a period of rapid transition this text offers a unique view of the decade bookended by the German Autumn and German unification Consulting sources both published and unpublished aesthetic and archival *Beyond No Future* s contributors examine German punk s representational strategies anti historical consciousness and refusal of programmatic intervention into contemporary political debates Taken together these essays demonstrate the importance of punk culture to historical political economic and cultural developments taking place both in Germany and on a broader transnational scale

The Names of Minimalism Patrick Nickleson,2023-01-19 Minimalism stands as the key representative of 1960s radicalism in art music histories but always as a failed project In *The Names of Minimalism* Patrick Nickleson holds in tension collaborative composers in the period of their collaboration as well as the musicological policing of authorship in the wake of their eventual disputes Through examinations of the droning of the Theatre of Eternal Music Reich s Pendulum Music Glass s work for multiple organs the austere performances of punk and no wave bands and Rhys Chatham and Glenn Branca s works for massed electric guitars Nickleson argues for authorship as always impure buzzing and indistinct Expanding the place of Jacques Ranci re s philosophy within musicology Nickleson draws attention to disciplinary practices of guarding compositional authority against artists who set out to undermine it The book reimagines the canonic artists and works of minimalism as early minimalism to show that art music histories refuse to take seriously challenges to conventional authorship as a means of defending the very category art music Ultimately Nickleson asks where we end up if we imagine the early minimalist project artists forming bands to perform their own music rejecting the score in favor of recording making extensive use of magnetic tape as compositional and archival medium hosting performances in lofts and art galleries rather than concert halls not as a utopian moment within a 1960s counterculture doomed to fail but as the beginning of a process with a long and influential afterlife

The Beatles and Sixties Britain Marcus Collins,2020-03-05 In this rigorous study Marcus Collins reconceives the Beatles social cultural and political impact on sixties Britain

Historical Dictionary of Popular Music Norman Abjorensen,2017-05-25 This book seeks to trace the rise of popular music identify its key figures and track the origins and development of its multiple genres and styles all the while seeking to establish historical context It is fundamentally a ready reference guide to the broad field of popular music over the past two centuries It has become a truism that popular music so pervasive in the modern world constitutes a soundtrack to our lives a constant though changing presence as we cross thresholds and grow from children to teenagers to adults But it has become more than a soundtrack it has become a narrative Not just an accompaniment to our daily lives but incorporating our lives

our sense of identity our lived experiences into it We have become part of the music just as the music has become part of us The Historical Dictionary of Popular Music contains a chronology an introduction an appendix and an extensive bibliography The dictionary section has over 1000 cross referenced entries on major figures across genres definitions of genres technical innovations and surveys of countries and regions This book is an excellent resource for students researchers and anyone wanting to know more about popular music

Underground Music Cultures and Music-Making in Los Angeles

Sébastien Darchen, John Willsteed, Damien Charrieras, 2025-02-27 This book focuses on the relationships between underground urban music cultures in Los Angeles and specific urban imaginaries related to music practices far away and sometimes in stark opposition to the commodified image of the city crafted by urban planners and associated urban stakeholders Rather than this commodified city and the imaginary city of the mind it examines the accidental tangential life of a mirage The city that appears in the distance is one that is formed by songs and music making The book shows how counter urban imaginaries emerge and are performed through diverse underground music making practices giving rise to alternative ways of seeing the city
