Rip Van Winkle Grand Romantic Opera In Three Acts:

Rip Van Winkle George Frederick Bristow, J. W. Shannon, Steven Ledbetter, 1991 **Rip Van Winkle** George Frederick Bristow, 1882 **Rip Van Winkle** George F. Bristow, 1991 Rip Van Winkle Franco Leoni, 1897 *Symphony no. 2 in D Minor, op. 24 ("Jullien")* George Frederick Bristow, 2011-01-01 URL <https://www.areditions.com/rrrra/a072.html> George Frederick Bristow 1825-98 American composer, conductor, teacher, and performer was a pillar of the New York musical community for the second half of the nineteenth century. His participation in an important mid-century battle of words between William Henry Fry and the journalist Richard Storrs Willis and concerning a lack of support for American composers by the Philharmonic Society has unfortunately overshadowed his accomplishments as a composer, which were significant. Bristow is remembered today primarily for his opera *Rip van Winkle* 1855 and oratorio *Daniel* 1866 but he was also a skillful and productive composer of orchestral music, one of only a handful of American orchestral composers active at mid-century. Bristow wrote his *Symphony no. 2 Jullien* in 1853. It is a substantial work in four movements scored for the standard orchestra of the early nineteenth century and strongly influenced by the personal styles of Beethoven and Mendelssohn, whose works were performed regularly by the Philharmonic Society. The symphony is skillfully crafted, melodious, and an intrinsically worthy work of musical artistry. It was named to honor the French conductor Louis Jullien, who visited the United States in 1853-54 with an unparalleled orchestra. While in the United States, Jullien both commissioned and performed American works, including this symphony; his support served as the catalyst for the Fry-Willis battle. The introductory essay to this symphony examines Bristow's career, the composition of orchestral music in America at mid-century, and Jullien's role in the musical battle. The edition makes available for the first time an important work that has been undeservedly forgotten for over 150 years.

Operas in English: A Dictionary Margaret Ross Griffel, 2012-12-21 In this revised and expanded edition of *Operas in English: A Dictionary*, Margaret Ross Griffel updates her work on operas written specifically to an English text, including not only works originally in English but also those set to new English librettos. Since the book's initial publication in 1999, Griffel has added nearly 900 new items, bringing the total number of entries in this new edition to 4,400, covering the world of opera in English from 1634 through 2011. The front matter includes a brief history of English opera to set the stage for the dictionary entries that follow. Listed alphabetically, each opera entry includes alternative titles, a full descriptive title, the number of acts, composer's name, librettist's name, with original language of the libretto, the source of the text, date, place, and cast of the first performance, date of composition if it occurred substantially earlier than the premiere, similar information for the first U.S. including colonial and British, England, Scotland, Wales, performances, brief plot summary, main characters, names and vocal ranges, where known, names of noteworthy numbers, comments on special musical problems and techniques, other settings of the text, including non-English ones, other operas if any involving the same story or characters, cross-references are indicated by asterisks. Entries include such information as first and critical editions of the score and libretto, a

bibliography ranging from scholarly studies to more informal journal articles and reviews a discography and information on video recordings Operas in English features four appendixes a selective bibliography and two indexes The first appendix lists composers their places and years of birth and death and their operas included in the text as entries the second does the same for librettists the third records authors whose works inspired or were adapted for the librettos and the fourth comprises a chronological listing of the A Z entries including the date of first performance the city of the premiere or composition date if unperformed or performed much later the short title of the opera and the composer There is a main character index and an index of singers conductors producers composers of other settings and other key figures Meyerbeer's Opera Gli Ugonotti

Giacomo Meyerbeer,1888 **George Frederick Bristow** Katherine K. Preston,2020-11-16 As American classical music struggled for recognition in the mid nineteenth century George Frederick Bristow emerged as one of its most energetic champions and practitioners Katherine K Preston explores the life and works of a figure admired in his own time and credited today with producing the first American grand opera and composing important works that ranged from oratorios to symphonies to chamber music Preston reveals Bristow s passion for creating and promoting music his skills as a businessman and educator the respect paid him by contemporaries and students and his tireless work as both a composer and in demand performer As she examines Bristow against the backdrop of the music scene in New York City Preston illuminates the little known creative and performance culture that he helped define and create Vivid and richly detailed George Frederick Bristow enriches our perceptions of musical life in nineteenth century America **Die Zauberflöte** Wolfgang Amadeus Mozart,1913
