**William Shakespeare**

## **Rire Le Nouvelle Addition:**

**MADAME BOVARY (Bilingual Edition: English-French)** Gustave Flaubert, 2017-10-06 Madame Bovary is the French writer Gustave Flaubert's debut novel. The story focuses on a doctor's wife Emma Bovary who has adulterous affairs and lives beyond her means in order to escape the banalities and emptiness of provincial life. Though the basic plot is rather simple even archetypal, the novel's true art lies in its details and hidden patterns. Flaubert was a notorious perfectionist and claimed always to be searching for *le mot juste*, the precise word. Madame Bovary takes place in provincial northern France near the town of Rouen in Normandy. The story begins and ends with Charles Bovary, a stolid kindhearted man without much ability or ambition. Gustave Flaubert 1821-1880 was an influential French writer who was perhaps the leading exponent of literary realism of his country. The celebrated short story writer Maupassant was a protégé of Flaubert. **The New Oxford**

**Shakespeare: Modern Critical Edition** William Shakespeare, 2016-10-27 The Complete Works Modern Critical Edition is part of the landmark New Oxford Shakespeare, an entirely new consideration of all of Shakespeare's works edited afresh from all the surviving original versions of his work and drawing on the latest literary, textual, and theatrical scholarship. In one attractive volume, the Modern Critical Edition gives today's students and playgoers the very best resources they need to understand and enjoy all Shakespeare's works. The authoritative text is accompanied by extensive explanatory and performance notes and innovative introductory materials which lead the reader into exploring questions about interpretation, textual variants, literary criticism, and performance for themselves. The Modern Critical Edition presents the plays and poetry in the order in which Shakespeare wrote them so that readers can follow the development of his imagination, his engagement with a rapidly evolving culture and theatre, and his relationship to his literary contemporaries. The New Oxford Shakespeare consists of four interconnected publications: the Modern Critical Edition with modern spelling; the Critical Reference Edition with original spelling; a companion volume on Authorship; and an online version integrating all of this material on OUP's high-powered scholarly editions platform. Together they provide the perfect resource for the future of Shakespeare studies. **A**
