Ten Pound Poms A. James Hammerton, Alistair Thomson, 2005-08-06 More than a million Britons emigrated to Australia between the 1940s and 1970s They were the famous ten pound Poms and this is their story Illuminated by the fascinating testimony of migrant life histories this is the first substantial history of their experience and fills a gaping hole in the literature of emigration The authors both leading figures in the fields of oral history and migration studies draw upon a rich life history archive of letters diaries personal photographs and hundreds of oral history interviews with former migrants including those who settled in Australia and those who returned to Britain *Asia-Pacific Trusts Law, Volume 3* Ying Khai Liew, Masayuki Tamaruya, 2025-05-15 This collection explores the boundaries of trusts law in the Asia Pacific region It is uncontroversial to state that the region s jurisdictions are diverse reflecting a mix of histories economies politics and legal systems The essays in this collection illustrate how this diversity is reflected in trusts law But this thematic and systematic exploration from a region wide perspective also identifies patterns of commonality in those factors which limit the operation of trusts law particularly as jurisdictions encounter domestic and international challenges By charting both convergence and divergence this study is pivotal in shaping and guiding the future development of trusts law in the region *International Corporate Governance* Thomas Clarke, 2007-07-31 Comprehensive and up to date this important textbook analyzes the escalating crisis in corporate governance and the growing interest in its reform across the globe Written by a leading name in the field of corporate governance from a genuinely international perspective this excellent textbook provides a balanced analysis of the relative strengths and weaknesses of the Anglo Saxon European and Asian traditions of corporate governance offering a prognosis of the future development complexity and diversity of corporate governance forms and systems It investigates the reasons for the failure of Enron WorldCom Tyco Parmalat and other major international corporations

examines the role of international standards of corporate governance with the intervention of the OECD World Bank and IMF explores the continuing cultural diversity in corporate and institutional forms in the United States and UK Europe and Asia Pacific Illustrated with a wealth of up to the minute case studies and packed full of excellent illustrative material that guides student readers through this complex subject International Corporate Governance is a must read for anyone studying corporate governance today *Globalisation, the State and Regional Australia* Amanda Walsh, 2018-05-15 If we are to understand global capital neoliberalism and the state in meaningful ways we must understand them as they operate in and on particular places and people Amanda Walsh Globalisation is an inescapable term in the 21st century but its real meaning is often difficult to pin down This book sheds new light on the political and economic implications of globalisation by examining the lived experience of a particular region the Shoalhaven area of New South Wales where two iconic Australian industries dairying and manufacturing struggled to survive in the face of global competition Drilling down through layers of theory policy and politics Amanda Walsh surveys how globalisation has played out in regional Australia Using industry case studies she explores how decisions made at a national level have affected regional communities and considers the role of the state in promoting and mediating globalising forces *Business Groups in the West* Asli M. Colpan, Takashi Hikino, 2018 This volume aims to explore the evolution of large enterprises in today's developed economies in the West It focuses on the economic institution of the business group and understanding the factors behind its rise growth resilience and or fall its behavioural and organizational characteristics and its contributions to economic development *Old Boy* Georgia Tree, 2023-07-04 Her whole life Georgia's father has told her she will be the one to write his story It's a story in which living is just a game of chance why did Grant Tree survive when others didn't Why did he find love and happiness and a grown daughter to spill his story to so that she can record the whole beautiful unlikely mess of it Told in parallel to Grant's story is the life of his friend and dealer Brian Geoffrey Chambers known in the book as Charlie who was ultimately executed in Malaysia for drug smuggling *Research Methods for Leisure and Tourism* A.J. Veal, 2017-12-19 Now in its fifth edition Research Methods for Leisure and Tourism has become the ultimate reference text for both students enrolled in undergraduate and postgraduate degrees and practising managers This book combines comprehensive coverage of a wide variety of qualitative and quantitative research methods with step by step guidance through research software including Excel SPSS and NVivo Key features Coverage of both qualitative and quantitative research methods ensuring a balanced approach to data collection and analysis Practical guidance on conducting research and writing reports showing the how as well as the what Detailed coverage of the development of conceptual frameworks for research research design analytical methods and the composition of research reports providing everything required to conduct a research project International case studies and extensive examples from the leisure and tourism literature Questions exercises and further reading for each chapter Extensive web based support materials New to this edition The fifth edition has been fully updated throughout and includes additional

material on Management and policy related research methods EndNote bibliographic referencing software Notes on additional methods including big data discourse analysis multiple correspondence analysis netnography web based research people meters For the analysis of quantitative data SPSS is updated to version 23 For qualitative data analysis the guide to NVivo software is updated to version 11

The Dynamics of the Modern Brewing Industry Terry Gourvish, Richard G. Wilson, 2003-09-02 For the past two centuries brewing has been a constantly innovative and evolving industry subject to changes in technology taste and industrial structure This ground breaking book is one of the first to examine the industry from the perspectives of economic and business history It combines chapters on the major European nations with chapters on the United States and Australia

The Big End of Town Grant Fleming, David Merrett, Simon Ville, 2004-05-24 Never before had a book been published which provides such a comprehensive study of Australian corporate leadership over the past 100 years Written by a team of economic historians The Big End of Town first published in 2004 is a proper business history of twentieth century Australia This book traces the evolution of large business enterprises in Australia from the giants of the nineteenth century such as Dalgety's CSR and BHP to the contemporary leaders in NewsCorp and Qantas It delves into why the market leaders became the major players examines what was crucial to their success and their roles in leading the Australian economy By investigating their evolution this book provides a useful evaluation of the factors that have led to their competitive success and provides an essential guide for all businesses in Australia and beyond

The Ethics of Bankruptcy Jukka Kilpi, 2002-01-08 The fundamental ethical problem in bankruptcy is that insolvents have promised to pay their debts but can not keep their promise The Ethics of Bankruptcy examines the morality of bankruptcy The author compares and contrasts the Humean doctrine of promises as useful conventions with the Kantian view of autonomous agency constituting promissory obligations he explores ethical concerns raised by forgiveness utilitarianism and distributive justice and the moral aspects of insolvents contractual fiduciary tortious and criminal liability Finally the author assesses recent bankruptcy law reforms Bankruptcies severely hurt creditors and society For the insolvents and their families the experience is painful and stigmatising yet philosophers have paid little attention to the moral aspects of this violent social phenomenon The Ethics of Bankruptcy is the first comprehensive study that employs the tools of ethics to examine the controversies surrounding insolvency which makes valuable and sometimes controversial reading in a decade recovering from the Recession

Deadly Disclosures William De Maria, 1999 Australian whistleblowers take us into a world of wrong doing that few of us know or want to believe exists This is a provocative analysis of the degeneration of public ethics in Australia carried on the wings of case studies of Australians who have blown the whistle in order to improve ethical standards and suffered terribly for their efforts
