Roscoe Paine I m going up to the village I told Dorinda taking my cap from the hook behind the dining room door What for
asked Dorinda pushing me to one side and reaching for the dust cloth which also was behind the door Oh just for the walk I
answered carelessly Um hm observed Dorinda Um hm is I believe good Scotch for Yes I have read that it is somewhere in one
of Barrie s yarns I think I had never been in Scotland or much of anywhere else except the city I was born in and my college
town and Boston and Cape Cod Um hm meant yes on the Cape too except when Dorinda said it then it might mean almost
anything When Mother asked her to lower the window shade in the bed room she said Um hm and lowered it And five
minutes later when Lute came in loaded to the guards with explanations as to why he had forgotten to clean the fish for
dinner she said it again About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find
