## **Rise Of The Labour Party 1893 1931:**

**The Rise of the Labour Party, 1893-1931** Gordon Ashton Phillips, 1992      **The Rise of the Labour Party 1893-1931** Gordon Phillips, 2006-10-19 This pamphlet examines the principal developments of party organization electoral growth and policy making in the period It gives particular attention to the constituent elements that made up the party and the nature of its support and explores the party's predominant attitudes ideology and policies from 1900 to 1931      **Aspects of British Political History 1914-1995** Stephen J. Lee, 2005-07-25 Directly relevant to student exam questions and courses this text examines all the major themes personalities and issues of this important period in a clear and digestible form It is also illustrated with helpful maps charts and diagrams      **The Labour Party** B. Brivati, R. Heffernan, 2000-05-08 On 27 February 1900 the Labour Representation Committee was formed to campaign for the election of working class representatives to parliament One hundred years on Labour is in government with an overwhelming majority This book is a unique opportunity both to celebrate and assess critically the Labour Party's role in shaping events of the twentieth century It brings together academics from a variety of disciplines to examine the history of the Party's development Each chapter includes contributions in the form of commentary and analysis from former Labour leaders cabinet ministers and backbench MPs Contributors include Michael Foot Denis Healey David Owen Keith Laybourn Robert Taylor Steve Ludlam Nick Ellison Clare Short and Austin Mitchell among others      Aspects of British Political History 1815-1914 Stephen J. Lee, 2013-03-07 Aspects of British History 1815 1914 addresses the major issues of this much studied period in a clear and digestible form Introduces a fresh feel to long studied topics Consolidates a great deal of recent research Carefully organised to reflect the way teachers tackle this course Written by and experienced and renowned textbook author Illustrated with helpful maps and photographs      *Labour's Grass Roots* Matthew Worley, 2017-11-28 The period between 1918 and 1945 witnessed dynamic social and economic developments in Britain as the notion of a government controlled economy and welfare state took root In order to be understood this shift in the political landscape needs to be seen in context of the growth of mass political movements and the implementation of fuller democratic processes in the aftermath of the Great War But whilst much has been written on the rise of the Labour Party the decline of the Liberals and the domination of the Conservatives in the sphere of high politics much less research has been done on the local or regional experience of Britain's main political parties between the wars This volume brings together ten essays that together provide an introduction to the role influence and effectiveness of Labour Party activists across Britain Taking a systematic and comparative approach that examines a range of representative areas this volume is more than simply a collection of local studies Instead it utilises the local to develop and illuminate the wider dynamics at work inside the Labour Party By emphasising the role of the party membership Britain's social and political evolution can be reconstructed from grass roots level taking into account the priorities and expectations of the people who sustained and cultivated the nation's social political base By addressing reoccurring issues of interest to

labour historians such as gender nationalism the co operative movement and trade unionism through the locus of regionalism and local party activity this volume will not only provide scholars with a better understanding of the Labour Party but should stimulate similar much needed research into other political parties and organisations      The Rise of the Labour Party, 1880-1945 Paul Adelman,1986

**The Origins of the First World War** Ruth Henig,2003-09-06 First published in 2003 Routledge is an imprint of Taylor Francis an informa company      **Franklin D. **Chartism** John Walton,2002-01-04 Chartism is an essential introduction to the movement and examines the controversial debates surrounding the topic As well as providing a concise period background the author includes discussion of the Chartists economic legislative and political goals patterns of regional and local support reasons for the Chartist decline the success of Chartism in the light of its goals and its influence over the Poor Law Corn Laws trade unions and factory reform the languages of Chartism songs gesture and propaganda      **The French Wars 1792-1815** Charles Esdaile,2002-01-22 A

highly original and critical introduction to the revolutionary and napoleonic conflicts It illuminates the less well known areas of the subject such as the changing attitude of the French people towards Napoleon as well as providing a balanced account of the campaigns of Wellington and Napoleon Based on current historiography this book discusses the expansion of France the extent to which Napoleon was responsible for this success and the events leading up to his subsequent exile It also provides a clear examination of each of the coalitions which fought against France      *Mussolini and Fascist Italy* Martin Blinkhorn,2006-09-27 In Mussolini and Fascist Italy Martin Blinkhorn explains the significance of the man the movement and the regime which dominated Italian life between 1922 and the closing stages of the Second World War He examines those aspects of post Risorgimento Italy which provided the longterm context vital to an understanding of Fascism the social and political convulsions wrought by economic change after 1890 and by Italy s intervention in the First World War the Fascist movement s rapid rise from obscurity to power and the subsequent establishment of Mussolini s dictatorship the history of the Fascist regime until its demise during the Second World War the ways in which Italian Fascism has been understood by

contemporary analysts and by historians The third edition of this best selling Lancaster Pamphlet provides an expanded and fully updated analysis New features include additional material on Fascist totalitarianism and a completely revised consideration of the ways in which Fascism has been interpreted

**Disraeli** John K. Walton,2006-11-22 Disraeli is a key figure for students of nineteenth century Britain He is indelibly identified with the unmaking of Peel s version of the Conservative Party and with the re creation of a durable and outstandingly successful new party which retained the loyalty of the squires and the shires while reaching out to newer forms of property ownership and cultivating the attachment of a significant proportion of the urban working class John K Walton here examines the major aspects of Disraeli s career and his legacy asking how far his actions and policies were governed by principles and how far by expediency He also enquires how far Disraeli set his own agenda and how far he was a rider of currents out of his control Finally Walton takes a careful look at his political institutional and ideological legacy

*Stalin and Stalinism* Alan Wood,1990 Apart from the 1917 Russian Revolution itself Joseph Stalin s twenty five year dictatorship over the USSR is without doubt the most controversial phenomenon in the history of the Soviet Union This pamphlet examines Stalin s ambiguous personal and political legacy his achievements and his crimes all now the subject of major reappraisal both in the West and in the former Soviet Union

**Napoleon III and the Second Empire** Roger D. Price,2002-09-11 In Napoleon III and the Second Empire Roger D Price considers the mid century crisis which provided Louis Napoleon Bonaparte with the opportunity to gain elective office as President The author outlines the objectives of Napoleon III and provides A historiographical review of the ruler and his regime Details of changing historical attitudes to the period A survey of Napoleon III s economic social and political impact An outline of the man s reign and his achievements

**Henry VIII and the English Reformation** David G Newcombe,2002-01-04 When Henry VIII died in 1547 he left a church in England that had broken with Rome but was it Protestant The English Reformation was quite different in its methods motivations and results to that taking place on the continent This book examines the influences of continental reform on England describes the divorce of Henry VIII and the break with Rome discusses the political and religious consequences of the break with Rome assesses the success of the Reformation up to 1547 provides a clear guide to the main strands of historical thought on the topic

**France Before the Revolution** J. H. Shennan,2013-09-13 This fully revised second edition takes account of historical work produced during the last decade Covering the period between Louis XIV s death in 1715 and the outbreak of the French Revolution in 1789 it discusses France s accomplishments in international affairs commercial expansion and intellectual and artistic life the significance of long term political social and economic forces in causing the Revolution how the changing perception of government from one of divine right kingship towards the idea of a national enterprise ultimately undermined the old regime

The Second Reform Act John K. Walton,2008-01-28 The Reform Act of 1867 was highly controversial at the time and has remained so Was it an inevitable step on the road to full democracy or an irresponsible gamble by a politician desperate to

win a tactical victory
