# Rise Of The New York Intellectuals

**Hugh Wilford**

## **Rise Of The New York Intellectuals:**

*The New York Intellectuals* Hugh Wilford, 1995 Reconstructs the history of a group of thinkers and activists including Philip Rahv Mary McCarthy Dwight Macdonald and Lionel Trilling collectively known as the New York Intellectuals during the period of their greatest influence the 1940s and 1950s While defending the group against charges that they sold out the author analyzes the contradictions between their avant garde principles and the institutional locations they came to occupy Annotation copyright by Book News Inc Portland OR [Intellectuals in Action](#) Kevin Mattson, 2007-08-09 Born in 1966 a generation removed from the counterculture Kevin Mattson came of political age in the conservative Reagan era In an effort to understand contemporary political ambivalence and the plight of radicalism today Mattson looks back to the ideas that informed the protest social movements and activism of the 1960s To accomplish its historical reconstruction the book combines traditional intellectual biography including thorough archival research with social history to examine a group of intellectuals whose thinking was crucial in the formulation of New Left political theory These include C Wright Mills the popular radical sociologist Paul Goodman a practicing Gestalt therapist and anarcho pacifist William Appleman Williams the historian and famed critic of American empire Arnold Kaufman a radical liberal who deeply influenced the thinking of the SDS The book discusses not only their ideas but also their practices from writing pamphlets and arranging television debates to forming left leaning think tanks and organizing teach ins protesting the Vietnam War Mattson argues that it is this political engagement balanced with a commitment to truth telling that is lacking in our own age of postmodern acquiescence Challenging the standard interpretation of the New Left as inherently in conflict with liberalis Mattson depicts their relationship as more complicated pointing to possibilities for a radical liberalism today Intellectual and social historians as well as general readers either fascinated by the 1960s protest movements or actively seeking an alternative to our contemporary political malais will embrace Mattson s book and its promise to shed new light on a time period known for both its intriguing conflicts and its enduring consequences **The Rise of the New York Intellectuals** Terry A. Cooney, 1986

*Existential America* George Cotkin, 2003-01-24 As Cotkin shows not only did Americans readily take to existentialism but they were already heirs to a rich tradition of thinkers from Jonathan Edwards and Herman Melville to Emily Dickinson and William James who had wrestled with the problems of existence and the contingency of the world long before Sartre and his colleagues After introducing the concept of an American existential tradition Cotkin examines how formal existentialism first arrived in America in the 1930s through discussion of Kierkegaard and the early vogue among New York intellectuals for the works of Sartre Beauvoir and Camus **The Rise of the New York Intellectuals** Terry A. Cooney, 2004-09-30  
*Cosmopolitan visions* Terry A Cooney traces the evolution of the Partisan Review often considered to be the most influential little magazine ever published in America during its formative years giving a lucid and dispassionate view of the magazine and its luminaries who played a leading role in shaping the public discourse of American intellectuals Included are Lionel

Trilling Philip Rahv William Phillips Dwight Macdonald F W Dupee Mary McCarthy Sidney Hook Harold Rosenberg and Delmore Schwartz among others An excellent book which works at each level on which it operates It succeeds as a straightforward narrative account of the Partisan Review in the 1930s and 1940s The magazine s leading voices William Phillips Philip Rahv Dwight MacDonald Lionel Trilling and all the rest receive their due Among the themes that engage Cooney are how they dealt with modernism in culture and radicalism in politics each on its own and in combination how Jewishness played a complex and fascinating role in many of the thinkers lives and especially how cosmopolitanism best explains what the Partisan Review was all about Robert Booth Fowler *Journal of American History* **Independent Intellectuals in the United States, 1910-1945** Steven Biel,1995-02 A new intellectual community came together in the United States in the 1910s and 1920s a community outside the universities the professions and in general the established centers of intellectual life A generation of young intellectuals was increasingly challenging both the genteel tradition and the growing division of intellectual labor Adversarial and anti professional they exhibited a hostility to boundaries and specialization that compelled them toward an ambitious and self conscious generalism and made them a force in the American political literary and artistic landscape This book is a cultural history of this community of free lance critics and an exploration of their collective effort to construct a viable public intellectual life in America Steven Biel illustrates the diversity of the body of writings produced by these critics whose subjects ranged from literature and fine arts to politics economics history urban planning and national character Conceding that significant differences and conflicts did exist in the works of individual thinkers Biel nonetheless maintains that a broader picture of this vibrant culture has been obscured by attempts to classify intellectuals according to political or ideological persuasions His book brings to life the ways in which this community sought out alternative ways of making a living devised strategies for reaching and engaging the public debated the involvement of women in the intellectual community and incorporated Marxism into its evolving search for a decisive intellectual presence in American life Examined in this lively study are the role and contributions of such figures as Randolph Bourne Max Eastman Crystal Eastman Walter Lippmann Margaret Sanger Van Wyck Brooks Floyd Dell Edmund Wilson Mable Dodge Paul Rosenfeld H L Mencken Lewis Mumford Malcolm Cowley Matthew Josephson John Reed Waldo Frank Gilbert Seldes and Harold Stearns *Democratic Artworks* Charles Hersch,1998-01-01 Focusing on the political movements of the 1950s and 1960s this book argues that the arts can strengthen democracy by politically educating citizens **Intellectuals in Politics** Jeremy Jennings,Tony Kemp-Welch,2013-04-15 After an introduction to the major issues confronting intellectuals this book explores the various aspects of the intellectual s role including philosophers and academics who have tried to define the function of the intellectual how intellectuals have assumed the status of the conscience of the nation and the voice of the oppressed the interaction of intellectuals with Marxism the place of the intellectual in American society Covering regions as diverse as Israel Algeria Britain Ireland central Europe and America this collection considers the question of whether the

intellectual can still lay claim to the language of truth In answering this study tells us much about the modern world in which we live Coverage includes the following thinkers Gramsci Weber Yeats Auden Levy Mailer Walzer Marx and many more

American Homo Jeffrey Escoffier,2018-10-02 A sweeping account of the way lesbian gay and bisexual people have challenged and changed society In this provocative book Jeffrey Escoffier tracks LGBT movements across the contested terrain of American political life where they have endured the historical tension between the homoeroticism coursing through American culture and the virulent periodic outbreaks of homophobic populism Escoffier explores how every new success enables a new disciplinary and normalizing form of domination only the active exercise of democratic rights and participation in radical coalitions allows LGBT people to sustain the benefits of community and the freedom of sexual perversity

**Intellectuals** Bruce Robbins,1990 A valuable counter to the Reagan Bush Bennett Bloom backlash these essays by many of the usual left suspects Aronowitz Said Ehrenreich et al analyze and evaluate the situatedness of intellectuals with respect to the media government bureaucracy the university and the Annotation copyrighted by Book News Inc Portland OR

*Politics and the Intellectual* Irving Howe,2010 A compilation of Irving Howe s interviews during the last fifteen years of his life this book represents what could be viewed as the sequel to Howe s intellectual autobiography *A Margin of Hope* which took the story of his life only up to the late 1970s Many of these interviews were never published and have existed only as personal tapes in the hands of such scholars and activists as Todd Gitlin and Maurice Isserman Others were originally published in such venues as *The New York Times* *The Jerusalem Post* and the PBS documentary *Arguing the World* Howe never organized his thoughts about the last fifteen years of his life during which he gained renown for *World of Our Fathers* received a MacArthur Fellowship and became widely regarded as the leading left liberal intellectual in the U S and arguably the leading literary critic in America following the deaths of Lionel Trilling and Edmund Wilson During this time Howe also struggled to redefine the American Left in an environment that discounted and marginalized it Indeed these interviews may have particular significance today a period of new opportunities for the liberal Left yet one in which it struggles to construct some coherent identity and compelling program The editors worked with the full cooperation of Howe s family His daughter Nina contributed an afterword and provided a number of illustrations and photos that have never before appeared in print Book Jacket

*John Dewey and American Democracy* Robert B. Westbrook,2015-07-22 Over a career spanning American history from the 1880s to the 1950s John Dewey sought not only to forge a persuasive argument for his conviction that democracy is freedom but also to realize his democratic ideals through political activism Widely considered modern America s most important philosopher Dewey made his views known both through his writings and through such controversial episodes as his leadership of educational reform at the turn of the century his support of American intervention in World War I and his leading role in the Outlawry of War movement after the war and his participation in both radical and anti communist politics in the 1930s and 40s Robert B Westbrook reconstructs the evolution of Dewey s thought and practice in

this masterful intellectual biography combining readings of his major works with an engaging account of key chapters in his activism Westbrook pays particular attention to the impact upon Dewey of conversations and debates with contemporaries from William James and Reinhold Niebuhr to Jane Addams and Leon Trotsky Countering prevailing interpretations of Dewey's contribution to the ideology of American liberalism he discovers a more unorthodox Dewey a deviant within the liberal community who was steadily radicalized by his profound faith in participatory democracy Anyone concerned with the nature of democracy and the future of liberalism in America including educators moral and social philosophers social scientists political theorists and intellectual and cultural historians will find John Dewey and American Democracy indispensable reading

**The New American History** American Historical Association, 1997 Originally released in 1990 The New American History edited for the American Historical Association by Eric Foner has become an indispensable volume for teachers and students In essays that chart the shifts in interpretation within their fields some of our most prominent American historians survey the key works and themes in the scholarship of the last three decades Along with substantially revised essays from the first edition this volume presents three entirely new ones on intellectual history the history of the West and the histories of the family and sexuality The second edition of The New American History reflects in Foner's words the continuing vitality and creativity of the study of the past how traditional fields are being expanded and redefined even as new ones are created Author note Eric Foner is DeWitt Clinton Professor of History at Columbia University He is the author of numerous books including Reconstruction 1863-1877 which was awarded the Bancroft Prize

Economy, Difference, Empire Gary J. Dorrien, 2010 Sourcing the major traditions of progressive Christian social ethics social gospel liberalism Niebuhrian realism and liberation theology Gary Dorrien argues for the social ethical necessity of social justice politics In carefully reasoned essays he focuses on three subjects the ethics and politics of economic justice racial and gender justice and antimilitarism making a constructive case for economic democracy along with a liberationist understanding of racial and gender justice and an anti-imperial form of liberal internationalism In Dorrien's view the three major discourse traditions of progressive Christian social ethics share a fundamental commitment to transform the structures of society in the direction of social justice His reflections on these topics feature innovative analyses of major figures such as Walter Rauschenbusch Reinhold Niebuhr James Burnham Norman Thomas and Michael Harrington and an extensive engagement with contemporary intellectuals such as Rosemary R. Ruether Katie Cannon Gregory Baum and Cornel West Dorrien also weaves his personal experiences into his narrative especially his involvement in social justice movements He includes a special chapter on the 2008 presidential campaign and the historic candidacy of Barack Obama

The CIA, the British Left and the Cold War Hugh Wilford, 2013-10-23 Shortly after it was founded in 1947 the CIA launched a secret effort to win the Cold War allegiance of the British left Hugh Wilford traces the story of this campaign from its origins in Washington DC to its impact on Labour Party politicians trade unionists and Bloomsbury intellectuals

High and Low Moderns Maria DiBattista, Lucy

McDiarmid,1996-12-05 This collection of essays on modernist culture reassesses the convergence of low and high cultures of socialist and aesthete late Victorian and young Georgian the popular and the coterie Academic literary studies have until recently preferred to treat the opaque difficult writings of high moderns Conrad Yeats Woolf and Eliot and the more accessible work of the low moderns Kipling Shaw and Wells in separate categories In contributions by scholars David Bromwich Roy Foster Edna Longley Louis Menand Edward Mendelson and others High and Low Moderns brings these writers into critical proximity Essays on such topics as the public mourning of Queen Victoria Florence Farr and the New Woman the Edwardian Shaw Lady Gregory s attraction to Irish felons and the high artistic uses of low entertainments cinema detective fiction and journalism introduce a subtler model of modernism in which demotic and elite cultural forms criticize imitate and address one another *The Frankfurt School in Exile* Thomas Wheatland,2009 Thomas Wheatland examines the influence of the Frankfurt School or Horkheimer Circle and how they influenced American social thought and postwar German sociology He argues that contrary to accepted belief the members of the group who fled oppression in Nazi Germany in 1934 had a major influence on postwar intellectual life **American Literary Criticism Since the 1930s** Vincent B. Leitch,2009-09-10 American Literary Criticism Since the 1930s fully updates Vincent B Leitch s classic book American Literary Criticism from the 30s to the 80s following the development of the American academy right up to the present day Updated throughout and with a brand new chapter this second edition provides a critical history of American literary theory and practice discussing the impact of major schools and movements examines the social and cultural background to literary research considering the role of key theories and practices provides profiles of major figures and influential texts outlining the connections among theorists presents a new chapter on developments since the 1980s including discussions of feminist queer postcolonial and ethnic criticism Comprehensive and engaging this book offers a crucial overview of the development of literary studies in American universities and a springboard to further research for all those interested in the development and study of Literature **Many Are the Crimes** Ellen Schrecker,1998 Offers an analysis of the McCarthy phenomenon tracing the machinations of anticommunism in creating a culture of fear and suspicion **Harold Rosenberg** Debra Bricker Balken,2021-10-06 Despite being one of the foremost American intellectuals of the mid twentieth century Harold Rosenberg 1906 1978 was utterly incapable of fitting in and he liked it that way Signature cane in one hand and a cigarette in the other he cut a distinctive figure on the New York City culture scene with his radiant dark eyes and black bushy brows A gangly giant at six foot four he would tower over others as he forcefully expounded on his latest obsession in an oddly high pitched nasal voice And people would listen captivated by his ideas With *Harold Rosenberg A Critic s Life* Debra Bricker Balken offers the first ever complete biography of this great and eccentric man Although he is now known mainly for his role as an art critic at the New Yorker from 1962 to 1978 Balken weaves together a complete tapestry of Rosenberg s life and literary production cast against the dynamic intellectual and social ferment of his time She explores his role in some of the most

contentious cultural debates of the Cold War period including those over the commodification of art and the erosion of individuality in favor of celebrity demonstrated in his famous essay *The Herd of Independent Minds*. An outspoken socialist and advocate for the political agency of art, he formed deep alliances with figures such as Hannah Arendt, Saul Bellow, Paul Goodman, Mary McCarthy, Jean Paul Sartre, Willem de Kooning, and Jackson Pollock, all of whom Balken portrays with vivid accounts from Rosenberg's life. Thoroughly researched and captivatingly written, this book tells in full Rosenberg's brilliant, fiercely independent life and the five decades in which he played a leading role in US cultural, intellectual, and political history.

### **Rise Of The New York Intellectuals Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Rise Of The New York Intellectuals free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Rise Of The New York Intellectuals free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that

offer free PDF downloads on a specific topic. While downloading Rise Of The New York Intellectuals free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Rise Of The New York Intellectuals. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Rise Of The New York Intellectuals any PDF files. With these platforms, the world of PDF downloads is just a click away.
