**The Rise of the South African Reich** Brian Bunting,1969    **The Rise of the South African Reich ,1964**    **The Rise of Afrikanerdom** T. Dunbar Moodie,1975-01-01    **Christian Nationalism and the Rise of the Afrikaner Broederbond in South Africa, 1918-48** Charles Bloomberg,1989-06-18 An investigation into the phenomenon of Christian nationalism amongst the whites in South Africa and the simultaneous rise of the exclusive right wing society the Afrikaner Broderbond    **The Rise of the South African Reich** Brian Percy Bunting,1964    **Inside South Africa's Foreign Policy** John Siko,2014-06-16 South Africa is a major player in African diplomacy Its economic diplomatic and military resources far outstrip those of other nations on the continent and it has since the country s 1994 democratic transition sought to take a lead role in the continent s relations with other power blocs particularly during the 1999 2008 presidency of Thabo Mbeki While Mbeki s push for greater African engagement in the global political sphere drew widespread praise other positions notably its seeming inaction toward Zimbabwe and perceived abandonment of its stated emphasis on human rights in foreign policy were more controversial both at home and abroad John Siko has had insider access to South Africa s leading foreign policy players and has been able to ask why Pretoria has taken its various stances and who has mattered in influencing those decisions a topic little examined since 1994 In addition he examines the foreign policy process over the past century determining that despite ANC promises of greater democratic engagement on foreign policy the process has changed quite little    **The Oxford Handbook of Business Groups** Asli M. Colpan,Takashi Hikino,James R. Lincoln,2010-08-05 Business groups large diversified often family controlled organizations with pyramidal ownership structure such as the Japanese zaibatsu the Korean chaebol and the grupos economicos in Latin America have played a significant role in national economic growth especially in emerging economies Earlier variants can also be found in the trading companies often set up in Britain which operated in Asia Africa and Latin America Business groups are often criticized as premodern forms of economic organization and occasionally as symptomatic of corrupt crony capitalism but many have shown remarkable resilience navigating and adjusting to economic and political turbulence international competition and technological change This Handbook provides a comprehensive analysis of business groups around the world It examines the adaptive and competitive capabilities of business groups and their evolutionary dynamics 16 individual country chapters deal with business groups from Asia to Africa the Middle East to Latin America while overarching chapters consider the historical and theoretical context of business groups With contributions from leading experts The Oxford Handbook of business groups provides a comprehensive empirically and theoretically rich guide for scholars and policy makers    **Africa in World Affairs** Rajen Harshé,2019-04-03 Africa finds itself at the centre stage of world politics in the twenty first century To truly determine its rising influence and role in world affairs would mean unravelling the politics of imperialism the Cold War and globalisation Going beyond Euro American perspectives this book presents a comprehensive study of Africa and its role in

Durham,2016-06-08 The links the conservative Right has sought to forge beyond the national over the last century have been too often neglected and this volume sheds new light on transnationalism the Right and the ways the two interact    **Race, Class & the Apartheid State** Harold Wolpe,1990    **Josie Mpama/Palmer** Robert R. Edgar,2020-04-22 While African National Congress narratives dominate much of the scholarship on South Africa's freedom struggle Josie Mpama Palmer's political life offers a different perspective Highly critical of the patriarchal attitudes that hindered black women from actively

participating in politics Mpama Palmer was an outspoken advocate for women's social equality and encouraged black women to become more involved in national conversations. The first black woman to join the Communist Party of South Africa and an antiapartheid activist Josie Mpama Palmer remained involved in critical issues all her life especially protests against Bantu Education and other forms of racial and sexist discrimination. She was an integral figure in establishing the Federation of South African Women an organization open to women of all races. Mpama Palmer's activism and political legacy would become an inspiring example for women in South Africa and around the world to get up and get moving.

**The Pitfalls of Liberal Democracy and Late Nationalism in South Africa** M. Muiu, 2008-12-08 This book compares African and Afrikaner nationalisms to demonstrate that the transition from apartheid to liberal democracy in South Africa was a neo colonial settlement that left the economy and the military and security sectors under the control of the white minority while increasing wide socioeconomic disparities between rich and poor.
