Rise Up O Woman And Deliver Yourself:

Rise Up O' Woman and Deliver Yourself Martha L. Crockett, 2004-11 Having been instrumental in building a church from the embryonic stage the author understands the sacrifices that the first family must make in order for the pastor's vision to be realized Many times these sacrifices impact the family in ways that are parallel to none Often some are unnecessary but due to a lack of wisdom knowledge and understanding of the role and responsibility the family may experience much suffering and pain As a result of the author's own encounterings in this area she believes her experiences were not uncommon to the wives of pastors but also she believes they were not ordinary It is her persuasion that every thing that has happened to her had a purpose and certainly they have been instrumental in helping her to understand what hurting wives of pastors feel In this her third published book she shares very personal experiences which she believes were not meant to be kept personal She is convinced that her pain and her living will be in vain if she takes her experiences to the grave The author believes she has a healing message that can revolutionize the pastor's wife Not only will it benefit the pastor's wife but also it has a message conducive to anyone who wishes to rise above many of life's circumstances She feels that much pain can be avoided where there is wisdom With her experience has come wisdom therefore this book has been written that others may benefit from her wisdom without paying the price of experience which one of life's most expensive and greatest teachers
