**Man of Letters** V.S. Pritchett,2011-10-28 V S Pritchett is widely and justly regarded not only as one of the finest short story writers of this century but as a critic and essayist of astonishing range perception and originality Combining an unpretentious common sense with a rare genius for the illuminating insight into the familiar and the neglected alike his criticism is all the more valuable in an age in which the study of literature has become increasingly arid and arcane and unlike so many of his academic counterparts V S Pritchett has always had a remarkable ability to epitomise a writer s work and convey his own enthusiasm for it within the compass of a short and eminently accessible essay First published in 1985 *A Man of Letters* brings together a selection of his finest and most representative work from the past forty years ranging from Smollett and Peacock to Evelyn Waugh and Cyril Connolly from Henry James and Nathanael West to Stendhal and Proust from Nabokov and Machado de Assis to Manzoni and Dostoevsky This wise and sparkling collection is in itself a lasting tribute to one of the greatest Men of Letters of our time      Book World ,1969      **Overland** ,1965      *A Man of Letters* Taha Huseein,1994-01-01 Taha Hussein 1889 1973 blind from early childhood rose from humble beginnings to pursue a distinguished career in Egyptian public life he was at one time Minister of Education But he was most influential through his voluminous varied and controversial writings He became known by the unofficial title Dean of Arabic Letters and the distinguished Egyptian critic Louis Awad described him as the greatest single intellectual and cultural influence on the literature of his period Based on the true story of a friend of the author this novel unfolding between Cairo and Paris and

through vivid personal correspondence draws a picture of a powerful friendship and of a young man's dilemma the man of letters of the title finds himself split between and in love with two cultures essentially incompatible East and West In his desperate struggle to reconcile them his soul is estranged and he is thrown or escapes deeper into the backstreet abyss of First World War Paris In the end it is perhaps the very impracticality of his own morality that destroys him *American Notes* Daniel Aaron,1994 This first collection of Aaron's influential writings focuses on American novels poems biographies and auto biographies that are viewed largely as cultural artifacts Many of the selections explore the relation of literature and history a theme that runs through much of Aaron's work Book Review Index ,1970 Every 3rd issue is a quarterly cumulation *The Rise and Fall of the Man of Letters* John Gross,1992 In this new edition of his landmark book John Gross traces the shifting fortunes of the men who shaped literary opinion in England during the Victorian Edwardian and contemporary eras He brings together famous or forgotten critics and editors prophets aesthetes statesmen dons radicals social climbers idealists gossipmongers and literary lions and explores not only their critical ideas but also their personalities careers social backgrounds and politics In all a remarkable survey to which Mr Gross has now added updates on several literary careers the new style of critics who have evolved from the universities and the dominant role of the media from back cover **George Tucker, Moral Philosopher and Man of Letters** Robert Colin McLean,1961 *Letters to a man of the world ... Revised. [The editor's and translator's preface signed: R. L. Tafel.]* Jean François Étienne LE BOYS DES GUAYS,1868
