Rise Fall Of Adolph Hitler Landmark:

The Rise and Fall of Adolf Hitler William L. Shirer, 2013-04-18 A concise and timely account of Hitler's and fascism's rise to power and ultimate defeat from one of America's most famous journalists American journalist and author William L. Shirer was a correspondent for six years in Nazi Germany and had a front row seat to Hitler's mounting influence His most definitive work on the subject *The Rise and Fall of the Third Reich* is a riveting account defined by first person experience interviewing Hitler watching his impassioned speeches and living in a country transformed by war and dictatorship Shirer was originally commissioned to write *The Rise and Fall of Adolf Hitler* for a young adult audience This account loses none of the immediacy of *The Rise and Fall of the Third Reich* capturing Hitler's ascendance from obscurity the horror of Nazi Germany's mass killings and the paranoia and insanity that marked the Führer's downfall This book is by no means simplified and is sure to appeal to adults as well as young people with an interest in World War II history For nearly 100 years William L. Shirer has spoken to us of fascism Nazis and Hitler He tells the unvarnished truth as he experienced it I figured this school type book wasn't going to tell me anything new But when I started reading I realized that I wasn't reading for the facts anymore I listened to his story and heard the urgency in his voice a voice from nearly 60 years ago telling us the truth about today Daily Kos

Mrs Adolf Hitler Blaine Taylor,2013-06-19 The year 2012 marks the centenary of Eva Braun s birth This is the strange but true saga of her life richly illustrated from her own personal photograph albums as well as from other captured German archives She married German dictator Adolf Hitler but 36 hours before their joint suicides in Berlin on April 30 1945 in the last week of the Second World War in Europe This exciting pictorial biography tells the full story of a Catholic convent bred young woman not only as the secret mistress as many historians have painted her since her voluntary death at age 33 but also as Hitler s lawfully wedded wife even though she is still largely referred to today by her maiden name They met at a Munich photography shop in 1929 when she was but 17 and he was already 40 The true nature of their long relationship is fully explained in detail for the very first time she was heterosexual and he bisexual but the author concludes Eva most likely remained a virgin until the day she died Although many reports after the war claimed that he shot himself and that she took poison the official Russian autopsy of their partially burnt bodies asserted that both died by cyanide capsules despite the postwar testimony of all Hitler s closest aides lending even their deaths an air of mystery Who was she really The answers are here This fascinating gripping and tragic story of a pretty well liked middle class shop girl is of a life mainly lived in the iron shadow of history In death Eva Braun Hitler became and remains today a hundred years after her birth one of the most famous women in all of world history alongside such female luminaries as Joan of Arc Jacqueline Kennedy Onassis and Princess Diana Eva has been a figure shrouded in controversy misinformation myth and legend until now At long last the veil is lifted with over 300 photographs providing an extensive collection of imagery including a number of contemporary color shots Eva Braun had a lifelong passion for photography her close friends nicknamed her the Rolleiflex girl after a camera model and this is reflected in the array of imagery featured in this groundbreaking book
