

Rise of Christianity

- Judaea put under Roman rule in 6 CE
- Jews awaited for the Messiah who would liberate them from Roman rule
- After Jesus' death, believers thought he was resurrected
- Paul, a convert, became a missionary set on teaching about Christos

Rise Of Christianity

Albert Kalthoff

Rise Of Christianity:

The Rise of Christianity Rodney Stark,1996-06-02 Rodney Stark a sociologist by training has written a book that should end much of the Christian bashing occurring in academia Stark demonstrates that Christianity became popular very quickly because it offered its adherents a better faith than competing religions and treated those believers better both physically and spiritually

The Rise of Christianity W. H. C. Frend,1984-01-01 Traces the early history of the Christian church from Jewish Palestine prior to Christ's birth to the sixth century monastic movement and explains how Christianity survived under a variety of cultures

The Rise of Christianity Ernest William Barnes,2024-02-05 Reprint of the original first published in 1948

The Rise of Christianity Don Nardo,2001 Now one of the world's predominant religions Christianity survived difficult beginnings during a turbulent time in history The authors of the essays in this volume discuss the birth growth and spread of Christianity as well as the problems faced by the early Christians

The Rise of Christianity Albert Kalthoff,1907

The Rise of Christianity Kevin W. Kaatz,2015-12-07 An outstanding resource for high school readers and first year college students this book explores early Christianity from its beginnings in the first century through the fourth century when Christianity went from a persecuted faith to the only legalized faith in the Roman Empire How did Christianity become one of the most widespread religions as well as one of the most influential forces in world history that has shaped politics wars literature art and music on every continent This book contains more than 40 entries on various topics in early Christianity 15 primary documents and 6 argumentative essays written by scholars in the field The breadth of materials enables readers to learn about early Christianity from a number of different viewpoints and to come to their own conclusions about how historical events unfolded in early Christianity This single volume work focuses on the first four centuries of early Christianity including topics on Jerusalem Herod the Great Paul Tertullian Mani The Arians Constantine the Great and many others Readers will be well equipped to answer three critical questions that scholars of early Christianity deal with when they study this period Why was Christianity popular Why were Christians persecuted How did Christianity spread

The Rise of Christianity Rodney Stark,1997-05-09 This fresh blunt and highly persuasive account of how the West was won for Jesus Newsweek is now available in paperback Stark's provocative report challenges conventional wisdom and finds that Christianity's astounding dominance of the Western world arose from its offer of a better more secure way of life Compelling reading Library Journal that is sure to generate spirited argument Publishers Weekly this account of Christianity's remarkable growth within the Roman Empire is the subject of much fanfare Anyone who has puzzled over Christianity's rise to dominance must read it says Yale University's Wayne A Meeks for The Rise of Christianity makes a compelling case for startling conclusions Combining his expertise in social science with historical evidence and his insight into contemporary religion's appeal Stark finds that early Christianity attracted the privileged rather than the poor that most early converts were women or marginalized Jews and ultimately that Christianity was a success because it proved those who joined it with a

more appealing more assuring happier and perhaps longer life Andrew M Greeley University of Chicago *The History of the Rise and Early Progress of Christianity* Samuel Hinds, 1828 [The Rise of Christianity](#) Rodney Stark, 2020-06-16 A landmark reinterpretation of why Christianity became the dominant faith of the West The idea that Christianity started as a clandestine movement among the poor is a widely accepted notion Yet it is one of many myths that must be discarded if we are to understand just how a tiny messianic movement on the edge of the Roman Empire became the dominant faith of Western civilization In a fast paced highly readable book that addresses beliefs as well as historical facts Rodney Stark brings a sociologist s perspective to bear on the puzzle behind the success of early Christianity He comes equipped not only with the logic and methods of social science but also with insights gathered firsthand into why people convert and how new religious groups recruit members He digs deep into the historical evidence on many issues such as the social background of converts the mission to the Jews the status of women in the church the role of martyrdom to provide a vivid and unconventional account of early Christianity The author plots the most plausible curve of Christian growth from the year 40 to 300 By the time of Constantine Christianity had become a considerable force with growth patterns very similar to those of modern day successful religious movements An unusual number of Christian converts for example came from the educated cosmopolitan classes Because it offered a new perspective on familiar concepts and was not linked to ethnicity Christianity had a large following among persons seeking to assimilate into the dominant culture mainly Hellenized Jews The oversupply of women in Christian communities due partly to the respect and protection they received led to intermarriages with pagans hence more conversions and to a high fertility rate Stark points out too the role played by selflessness and faith Amidst the epidemics fires and other disasters that beleaguered Greco Roman cities Christian communities were a stronghold of mutual aid which resulted in a survival rate far greater than that of the pagans In the meantime voluntary martyrdom especially a generation after the death of Christ reinforced the commitment of the Christian rank and file What Stark ultimately offers is a multifaceted portrait of early Christianity one that appeals to practical reasoning historical curiosity and personal reflection

[Documents of the Rise of Christianity](#) Kevin W. Kaatz, 2019-03-14 An introduction to the history of early Christianity this reference provides roughly 60 primary source documents from the first five centuries of the Christian Era each accompanied by explanatory material Christianity has been one of the most powerful influences on world history and for this reason the world of the early Christians figures prominently in film fiction and popular culture The first centuries of Christianity provided the foundation for the faith institutions of today this book examines the history of early Christianity through its use of primary texts written by early Christians In doing so it helps readers to understand that multiple sects of Christianity competed for dominance and it sheds light on the struggles of early Christians that their differences entailed The book covers the first five centuries of the Christian Era with sections devoted to each century Some 60 primary source documents appear within those sections and each is accompanied by background information This chronological arrangement helps readers to

understand how Christianity evolved over time and it provides insights into the theological debates and persecutions that marked the lives of early Christians and characterized the early Church **Augustus to Constantine** Robert McQueen Grant,2004-01-01 This masterful study of the early centuries of Christianity vividly brings to life the religious political and cultural developments through which the faith that began as a sect within Judaism became finally the religion of the Roman empire First published in 1970 Grant s classic is enhanced with a new foreward by Margaret M Mitchell which assesses its importance and puts the reader in touch with the advances of current research *The history of the rise and early progress of Christianity, comprising an enquiry into its true character and design* Samuel HINDS (Bishop of Norwich.),1846 The Patient Ferment of the Early Church Alan Kreider,2016-03-29 How and why did the early church grow in the first four hundred years despite disincentives harassment and occasional persecution In this unique historical study veteran scholar Alan Kreider delivers the fruit of a lifetime of study as he tells the amazing story of the spread of Christianity in the Roman Empire Challenging traditional understandings Kreider contends the church grew because the virtue of patience was of central importance in the life and witness of the early Christians They wrote about patience not evangelism and reflected on prayer catechesis and worship yet the church grew not by specific strategies but by patient ferment *Birth of Christianity* John Dominic Crossan,1999-04-01 John Dominic Crossan explores the lost years of earliest Christianity the years immediately following Jesus execution He establishes the contextual setting through a combination of literary anthropological historical and archaeological approaches He challenges the assumptions about the role of Paul and the meaning of resurrection and forges a new understanding of the birth of the Christian church Here is a vivid account of early Christianity s interaction with the world around it and of the new traditions and communities established as Jesus companions continued their movement after his death *Religious Rivalries in the Early Roman Empire and the Rise of Christianity* Leif E. Vaage,2006-04-21 Religious Rivalries in the Early Roman Empire and the Rise of Christianity discusses the diverse cultural destinies of early Christianity early Judaism and other ancient religious groups as a question of social rivalry The book is divided into three main sections The first section debates the degree to which the category of rivalry adequately names the issue s that must be addressed when comparing and contrasting the social success of different religious groups in antiquity The second is a critical assessment of the common modern category of mission to describe the inner dynamic of such a process it discusses the early Christian apostle Paul the early Jewish historian Josephus and ancient Mithraism The third section of the book is devoted to the rise of Christianity primarily in response to the similarly titled work of the American sociologist of religion Rodney Stark While it is not clear that any of these groups imagined its own success necessarily entailing the elimination of others it does seem that early Christianity had certain habits both of speech and practice which made it particularly apt to succeed in the Roman Empire The Rise of Christianity Through the Eyes of Gibbon, Harnack and Rodney Stark Jan N. Bremmer,2010 The rise of Christianity up to the victory of Constantine has often been studied and remains a puzzling

phenomenon In this valedictory lecture Jan N Bremmer concentrates on the explanations adduced focusing in particular on the works of three iconic figures from the last two hundred and fifty years The History of the Decline and Fall of the Roman Empire of Edward Gibbon the most famous ancient historian of all time at the end of the eighteenth century Die Mission und Ausbreitung des Christentums of Adolf von Harnack the greatest historian of early Christianity of all time around 1900 and The Rise of Christianity of Rodney Stark the most adventurous sociologist of religion of our times at the end of the twentieth century Bremmer locates their concerns and explanations within their own times but also takes them seriously as scholars discussing their analyses and approaches In this way he shows both the continuities and the innovations in the evolving view which scholarship presents of early Christianity Bremmer's exceptional knowledge of the huge range of scholarship and his humane and balanced judgment make this lecture the ideal introduction to the many problems raised by Christianity's displacement of paganism

Jesus and the Rise of Early Christianity Paul Barnett, 2002-04-17 Paul Barnett not only places the New Testament within the world of caesars and Herods proconsuls and Pharisees Sadducees and revolutionaries but argues that the mainspring and driving force of early Christian history is the historical Jesus

The Rise of Christianity Albert Kalthoff, 2017-09-14 To the second edition which will certainly be called for of his translation of Kalthoff's Rise of Christianity Mr McCabe should add a page of introduction Here and there the author appears to assume that his readers are acquainted with certain communistic ideas which he has expressed in previous works and as one of the leading ideas of the present work is that the Christian Church is and has always been in principle a communistic body a hint or two as to the author's special standpoint as disclosed in his previous works would be welcome to the average English reader The author approaches his subject from the sociological point of view and consequently sees no need for a personal founder of Christianity Such a founder ceases to be necessary for understanding Christianity in proportion as we recognise in it a great historical development of the whole spiritual life the social and economic religious and moral artistic and scientific life of the race The single individual as founder comes under consideration only in so far as the active forces of his age are embodied in him and historical science still has the task of gathering the ideas of the master from the context of his age In three interesting chapters the author studies the preparation for Christianity in the Roman Empire in Greek philosophy and in Judaism He finds much of the social and political atmosphere of the Synoptical Gospels rather in Rome than in Jerusalem for example the tax gatherers the debtor who lies in jail until he pays the last farthing the higher slave set over others by his master etc As to Greek philosophy it was this that developed the theological and ethical consequences of monotheism and thus led directly to the dogmatic and ethic of the Church The platonic duplication of the World makes it needful to find some mediator between the supramundane God and the material world Moreover the Stoic philosophy reappears in the Christian system Zeno contemplated a great social world state in which all men are united in an ideal community by the natural law of reason Judaism supplied the Messianic doctrine Messiahism is the very soul of the religious history of Israel Its roots go back

into prehistoric times etc It culminates in the Jewish apocalyptic literature The connecting link between this apocalyptic otherworldliness and reality is communism which forms the economic background of the Apocalypse Perhaps the most interesting chapter in the book is that on The Communistic Clubs in which the religious associations that formed so important a feature in Greek and Roman life are regarded as the origins of the Christian communities We have not space to follow our author through his chapters on the Christian Community the Christian Church and the Future of Christianity except to note that the conclusion he arrives at is that the future of Christianity depends on whether the way is left open for its natural development for its Christ to grow with our ever deepening and broadening life The Westminster Review Volume 168 Greek Thought and the Rise of Christianity James Shiel, 1968 This series is designed to study problems in preference to periods Each volume will contain sections dealing with historiography documents and a consideration of the wider issues although the balance between the three will vary in each case This approach encourages the student to deal in his own way with the problems raised by historical documents and the historiography of the issues in question and he is made aware of the wider perspectives of history

A Star in the East Rodney Stark, Xiuhua Wang, 2015-05-02 What is the state of Christianity in China Some scholars say that China is invulnerable to religion In contrast others say that past efforts of missionaries have failed writing off those converted as nothing more than rice Christians or cynical souls who had frequented the missions for the benefits they provided Some wonder if the Cultural Revolution extinguished any chances of Christianity in China Rodney Stark and Xiuhua Wang offer a different perspective arguing that Christianity is alive well and on the rise Stark approaches the topic from an extensive research background in Christianity and Chinese history and Wang provides an inside look at Christianity and its place in her home country of China Both authors cover the history of religion in China disproving older theories concerning the number of Christians and the kinds of Christians that have emerged in the past 155 years Stark and Wang claim that when just considering the visible Christians those not part of underground churches thousands of Chinese are still converted to Christianity daily and forty new churches are opening each week A Star in the East draws on two major national surveys to sketch a close up of religion in China A reliable estimate is that by 2007 there were approximately 60 million Christians in China If the current growth rate were to hold until 2030 there would be more Christians in China about 295 million than in any other nation This trend has significant implications not just for China but for the greater world order It is probable that Chinese Christianity will splinter into denominations likely leading to the same political social and economic ramifications seen in the West today Whether you re new to studying Christianity in China or whether this has been your area of interest for years A Star in the East provides a reliable thought provoking and engaging account of the resilience of the Christian faith in China and the implications it has for the future

Rise Of Christianity Book Review: Unveiling the Power of Words

In a global driven by information and connectivity, the ability of words has become more evident than ever. They have the capability to inspire, provoke, and ignite change. Such could be the essence of the book **Rise Of Christianity**, a literary masterpiece that delves deep in to the significance of words and their effect on our lives. Rise Of Christianity Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Rise Of Christianity PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers

individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Rise Of Christianity PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In conclusion, the availability of Rise Of Christianity free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Rise Of Christianity Books

1. Where can I buy Rise Of Christianity books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
