Risen Among Wisdom:

Jesus Risen in Our Midst Sandra Marie Schneiders, 2013 A collection of essays on the Resurrection of Jesus as it is presented in the Gospel of John All the essays with the exception of the first chapter appeared between 2005 and 2011 in various academic journals or books **Wisdom's Watch Upon the Hours** Heinrich Seuse, 1994 Written by Dominican preacher and mystic Bl Henry Suso c 1300 1366 Horologium Sapientiae or Wisdom s Watch upon the Hours was one of the most successful religious writings of its time Now it is offered to the English speaking world in a new translation based on Pius Kunzle s critical Latin edition **Resurrection in Paul** Frederick S. Tappenden, 2016-07-29 Explore the embodied foundations of Paul s resurrection ideals It is commonly recognized that Paul s resurrection ideals are bodily ideals though this dictum is usually configured along literal and metaphorical lines The realism of future resurrected bodies is disconnected from the metaphoricity of bodily transformation in the present Drawing on cognitive linguistics this fresh and innovative study addresses this problem By eschewing the opposition of metaphor and realism Tappenden explores the concepts and metaphors Paul uses to fashion notions of resurrection and the uses to which those notions are put Rather than asserting resurrection as a disembodied cognicentric proposition this book illuminates the body s central role in shaping and grounding the apostle s thought and writings Features Close examination of Paul s letters within multiple interlocking cultural contexts Provides a novel and fresh approach to assessing in coherence across the undisputed letters Addresses the materialist nature of early Christian and Judean resurrection ideals without compromising the metaphoricity of those ideals

Afterlife and Resurrection Beliefs in the Apocrypha and Apocalyptic Literature Jan Aage Sigvartsen, 2019-09-19 Jan A Sigvartsen seeks to examine the immense interest in life after death and speculation about the fates awaiting both the righteous and the wicked that proliferated in the Second Temple period In this volume Sigvartsen explores the Apocrypha and the apocalyptic writings in the Pseudepigrapha He identifies the numerous afterlife and resurrection beliefs and presents an analysis that enables readers to easily understand and compare the wide ranging beliefs regarding the afterlife that these texts hold A careful reading of these resurrection passages including passages appearing in Sirach Maccabees the Sibylline Oracles and the Ezra texts reveals that most of the distinct views on life after death regardless of their complexity show little evidence of systematic development relational to one another and are often supported by several key passages or shared motifs from texts that later became a part of the TaNaKh Sigvartsen also highlights the factors that may have influenced the development of so many different resurrection beliefs including anthropology the nature of the soul the scope of the resurrection the number and function of judgments and the final destination of the righteous and the wicked Sigvartsen s study provides a deeper understanding of how the TaNaKh was read by different communities during this important period and the role it played in the development of the resurrection belief a central article of faith in both Christianity and Rabbinic Judaism **Oahspe: A New Bible** John Ballou Newbrough, 2023-11-26 In Oahspe A New Bible John Ballou Newbrough

presents a groundbreaking spiritual text that seeks to unify various religious doctrines through a unique narrative style that blends scripture philosophy and cosmology The book is structured around a series of visionary revelations recounting the history of the Earth and the spiritual evolution of humanity Newbrough employs an archaic yet poetic language evoking biblical texts while offering new insights into the nature of the divine and the cosmos challenging readers to rethink their relationship to spiritual knowledge and communal ethics Within the context of the 19th century spiritualist movement Oahspe reflects a quest for a comprehensive spiritual understanding that transcends traditional sectarian boundaries positioning itself as a universal scripture for modern seekers John Ballou Newbrough born in the early 19th century was a fervent spiritualist and visionary thinker influenced by the tumultuous socio religious landscape of his time His experiences with the spiritualist movement combined with a lifelong search for truth inspired him to channel the voice of higher celestial beings allowing him to articulate the teachings of Oahspe As a practitioner of spiritualism Newbrough critiques orthodox beliefs advocating for a rebirth of spiritual understanding that emphasizes interconnectedness and cosmic awareness Oahspe A New Bible is highly recommended for readers seeking an alternative spiritual perspective that bridges ancient wisdom with contemporary questions about existence and morality With its intricate narrative and profound insights this work not only enriches the spiritual landscape but also invites critical reflection on the nature of faith itself

Abraham Ibn Ezra and the Rise of Medieval Hebrew Science Shlomo Sela, 2021-10-11

The main focus of this book is the study of Abraham Ibn Ezra's 1089-1167 scientific thought within the historical and cultural context of his times. His scientific contribution may be understood as the very embodiment of the rise of medieval Hebrew science: a process in which Jewish scholars gradually adopted the holy tongue as a vehicle to express secular and scientific ideas. The first part provides a comprehensive picture of Ibn Ezra's scientific corpus. The second part studies his linguistic strategy. The third and fourth parts study Ibn Ezra's introductions to his scientific treatises, and the fifth part is devoted to studying four encounters with Claudius Ptolemy, the main scientific character featuring in Ibn Ezra's literary work.
