Draft picks were lost suspensions given lawsuits filed As their legends have grown so have their critics with some of those critics operating from NFL headquarters Despite that with Belichick s deft and brilliant strategy in the draft year in year out and Brady s exacting decision making on the field the Patriots cultivated an atmosphere of success and won a stunning 75 percent of their games together Respected and reviled Belichick and Brady have set the bar high for excellence in a league designed for parity They have rarely been understood Until now Based on dozens of interviews with former and current players coaches and executives Belichick and Brady is an eye opening look at the minds motives and wild ambitions of two men who have left an indelible mark on the game of football American Book Publishing Record ,2002 *Social History of the United States* Brian Greenberg,Linda S.
