Rising Sun Blinking A Young Boys Memoirs Of The Japanese Occupation In The Philippines:

Rising Sun Blinking Jose Maria Lacambra,2010-03-11 In the middle of 1942 the Japanese landed in Iloilo deep in the heart of the Philippine Archipelago Earlier like a skittish octopus the Japanese Empire had spread its tentacles across the islands after the last American strongholds of Bataan and Corregidor had fallen Jose Lacambra was only eleven years old when the Japanese occupied Iloilo His firsthand account of the adventures and rites of passage were drawn from a diary he kept during those war years With wry wit and a sharp memory for detail he re creates the horror adventure and excitement of those unforgettable years describing them all with a novelists skill and style The Other Empire Ronald D. Klein,2008 In this survey of literary images of Japan Ronald Klein has identified more than 160 works with Japanese characters providing both comprehensive overviews as well as individual monographs on specific writers This book creates a subgenre of thematic work positing an alternative postcolonial relationship *Inside the Bataan Death March* Kevin C. Murphy,2014-09-24 For two weeks during the spring of 1942 the Bataan Death March one of the most widely condemned atrocities of World War II unfolded The prevailing interpretation of this event is simple American prisoners of war suffered cruel treatment at the hands of their Japanese captors while Filipinos sympathetic to the Americans looked on Most survivors of the march wrote about their experiences decades after the war and a number of factors distorted their accounts The crucial aspect of memory is central to this study how it is constructed by whom and for what purpose This book questions the prevailing interpretation reconsiders the actions of all three groups in their cultural contexts and suggests a far greater complexity Among the conclusions is that violence on the march was largely the result of a clash of cultures undisciplined individualistic Americans encountered Japanese who valued order and form while Filipinos were active even ambitious participants in the drama **A Charmed Life** José María Lacambra Loizu,2012-04 Born of Basque parents in the Philippines during the early Thirties his schooling was disrupted during WWII allowing him to wreak havoc with the loathed Japanese Occupation Army Jac Chambliss one of his American liberators was to later be come his father in law After the war he moved to his parents home in Pamplona Spain where he ran the bulls during San Fermin At 17 he went to work for a Shipping Company in Bilbao served in Africa in an Army out t attached to the Spanish Foreign Legion and subsequently went to Paris to study Humanities at the Sorbonne He came to the States and attended Gettysburg College majoring in Physics During his Sophomore year he was named Editor in Chief of the College s Literary Magazine He married Ann Chambliss during his Senior year and graduated with Honors He subsequently earned a Ph D in Nuclear Physics from Duke University where three of his children were born two to become future physicians and one an accomplished painter After acquiring his US citizenship he settled in Orlando Fl to work for an Aerospace Firm designing missiles and defense systems such as SDI the Strategic Defense Initiatives program He retired 30 years later and now travels extensively indulging in writing golf and babysitting for eight lovely grandchildren **Filipinas Magazine** ,2002 □□□□□□□□ ,1997-07 Shadows from the Rising Sun Paul R. Intelligence Corps and helped pin authenticated collaboration charges on many Manilans who had sold out to the enemy. While carrying on this task she received numerous threats against her life and the lives of her children. On the Philippines was staged the Bataan Death March as well as the crucial landings on the Island of Leyte. Many who will read the story of those two unforgettable episodes of the War of the Pacific will feel deeply grateful to Adalia, her husband Tony and the hundreds of other brave Filipinos who sacrificed all for freedom. **BLOOD ON THE RISING SUN** is not a book of light fiction. The truth asserts itself and here in this book Adalia Marquez writes with eloquence and simplicity which go direct to the human heart.

It Took 4 Years for the Rising Sun to Set JI Garcia, 2000-11-01 *It Took Four Years for the Rising Sun to Set, 1941-1945* Joaquín L. García, 2001 **Blood on the Rising Sun** Adalia Márquez, 1957 **Child of War** Curtis Whitfield Tong, 2010-09-30

Hours after attacking Pearl Harbor on December 7, 1941, Japanese bombers stormed across the Philippine city of Baguio where seven-year-old Curt Tong, the son of American missionaries, hid with his classmates in the woods near his school. Three weeks later, Curt, his mother and two sisters were among the nearly five hundred Americans who surrendered to the Japanese army in Baguio. *Child of War* is Tong's touching story of the next three years of his childhood as he endured fear, starvation, sickness and separation from his father while interned in three different Japanese prison camps on the island of Luzon. Written by the adult Tong looking back on his wartime ordeal, it offers a rich trove of memories about internment life and camp experiences. Relegated first to the men's barracks at Camp John Hay, Curt is taken under the wing of a close family friend who is also the camp's civilian leader. From this vantage point, he is able to observe the running of the camp firsthand as the war continues and increasing numbers of Americans are imprisoned. Curt's days are occupied with work detail, baseball and childhood adventures. Along with his mother and sisters, he experiences daily life under a series of camp commandants, some ruling with intimidation and cruelty but one memorably with compassion. In the last months of the war, the entire family is finally reunited and their ordeal ends when they are liberated from Manila's Bilibid Prison by American troops. *Child of War* is an engaging and thoughtful memoir that presents an unusual view of life as a World War II internee, that of a young boy. It is a valuable addition to existing wartime autobiographies and diaries and contributes significantly to a greater understanding of the Pacific War and its impact on American civilians in Asia.
