The Japanese Occupation of Borneo, 1941-45 Ooi Keat Gin, 2010-12-17 The Japanese occupation of both British Borneo Brunei Sarawak and North Borneo and Dutch Borneo in 1941 to 1945 is a much understudied subject Of particular interest is the occupation of Dutch Borneo governed by the Imperial Japanese Navy that had long term plans for permanent possession This book surveys Borneo under Western colonialism examines pre war Japanese interests in Borneo and analyses the Japanese military invasion and occupation It goes on to consider the nature of Japanese rule in Borneo contrasting the different regimes of the Imperial Japanese Army which ruled the north and the Navy A wide range of issues are discussed including the incorporation of the economy in the Greater East Asia Co prosperity Sphere and the effects of this on Borneo s economy The book also covers issues such as the relationship with the various indigenous inhabitants with Islam and the Muslim community and the Chinese as well as topics of acculturation and propaganda and major uprisings and mass executions It examines the impact of the wartime conditions and policies on the local multiethnic peoples and their responses providing an invaluable contribution to the greater understanding of the significance of the wartime Japanese occupation in the historical development of Borneo

A History of Malaysia Barbara Watson Andaya, Leonard Y. Andaya, 2017-09-16 First published in 1982 this text is widely regarded as a leading general history of the country This new and revised edition brings the story of this fascinating country up to date incorporating the latest scholarship on every period of Malaysian history including recent research into pre modern times This text thus provides a historical framework that helps explain the roots of the issues dominating Malaysian life today and the difficulties of creating a multicultural state where resources are equitably shared and the rights of all citizens are acknowledged This book is a key text for courses on Southeast Asian history and politics Covering a range of disciplinary subjects in the humanities and social sciences it is also useful for anyone interested in the assessment of young modernizing nations New to this Edition A new chapter provides insights into Malaysian history of the last 15 years including the growing influence of the internet and social media in the political sphere Greater attention is paid

to the strengthening of civil society movements that have arisen in light of perceived government failures Fresh analysis of Islam's historical role in the Malay world and how it links with the growing Islamization of Malaysia today **Routledge Handbook of Contemporary Brunei** Ooi Keat Gin, Victor T. King, 2022-07-29 The Routledge Handbook of Contemporary Brunei presents an overview of significant themes, issues and challenges pertinent to Brunei Darussalam in the twenty-first century Multidisciplinary in coverage, the contributions cover topics relating to philology, history, religion, language and literature, geography, international relations, economics, politics and sociocultural traditions The Handbook is structured in eight parts Foundations, History, Faith and Ethnicity, Literature, Language and Education, Economics, Material Culture, Empowerment Chapters focus on the recent past and contemporary developments in this unique country which has remained a Malay Muslim sultanate, sustaining its religious and traditional heritage encapsulated in the national philosophy Melayu Islam Beraja (MIB) Malay Islamic Monarchy The MIB philosophy represents the sultanate's three pillars of social, cultural, political and economic sustainability and the contributors discuss this concept in relation to the notion of Malay or Malaydom, the official religion of the nation state, Islam and monarchy as the essential system of government This Handbook is an invaluable reference work for students of Asian and Southeast Asian Studies and researchers interested in what is demographically the smallest country within the Association of Southeast Asian Nations (ASEAN) The British Empire and the Second World War Ashley Jackson, 2006-03-09 In 1939 Hitler went to war not just with Great Britain; he also went to war with the whole of the British Empire, the greatest empire that there had ever been In the years since 1945 that empire has disappeared and the crucial fact that the British Empire fought together as a whole during the war has been forgotten All the parts of the empire joined the struggle and were involved in it from the beginning, undergoing huge changes and sometimes suffering great losses as a result The war in the desert, the defence of Malta and the Malayan campaign and the contribution of the empire as a whole in terms of supplies, communications and troops all reflect the strategic importance of Britain's imperial status Men and women not only from Australia, New Zealand and India but from many parts of Africa and the Middle East all played their part Winston Churchill saw the war throughout in imperial terms The British Empire and the Second World War emphasises a central fact about the Second World War that is often forgotten Wings of the Rising Sun Mark Chambers, 2018-11-29 A fascinating insight into how the Allies learned about the capabilities and limitations of the Imperial Japanese Naval Air Force and Japanese Army Air Force through flight testing and evaluation of enemy equipment In the Pacific War's early years Japanese air power was dominant The only way for the Allies to defeat their enemy was to know it This made the task of maintaining productive intelligence-gathering efforts on Japan imperative Establishing Technical Air Intelligence Units in the Pacific Theatre and the Technical Air Intelligence Center in Washington DC the Allies were able to begin to reveal the secrets of Japanese air power through extensive flight testing and evaluation of captured enemy aircraft and equipment These provided an illuminating perspective on Japanese aircraft and aerial weapon design philosophy and

manufacturing practice Fully illustrated throughout with a wealth of previously unpublished photographs Mark Chambers explores Allied efforts to evaluate the strengths and weaknesses of Japanese air power during the war years and how this intelligence helped them achieve victory in the Pacific **Rising Sun over Borneo** Ooi Keat Gin,1999-04-11 This study focuses on Japanese wartime policies and their implementation and the consequent effects these policies had on the local population Each ethnic group including the European community is examined to evaluate its reaction and response to the Japanese military government and Japanese policies towards these The group effects of the Japanese period on post war developments help to evaluate the significance and influence of this short domination by a non Western **Crimson Sun Over Borneo** R. H. Hickling,1997 *Encyclopedia of World War II* Alan Axelrod,2007 A reference to the ideological military political biographical and social topics surrounding World War II which is often considered the pivotal event of the twentieth century **A New History of Southeast Asia** M.C. Ricklefs,Bruce Lockhart,Albert Lau,2010-11-19 A new comprehensive one volume history of Southeast Asia that spans prehistory to the present Ricklefs brings together colleagues at the National University of Singapore whose expertise covers the entire region encompassing political social economic religious and cultural history Opening with an account of the ethnic groups and initial cultural and social structures of Southeast Asia the book moves through the early classical states the arrival of new global religions and the impact of non indigenous actors The history of early modern states and their colonial successors is followed by analysis of World War II across the region Offering a definitive account of decolonisation and early post colonial nation building the text then transports us to modern day Southeast Asia exploring its place in a world recovering from the financial crisis The distinguished author team provide an authoritative and accessible narrative drawing upon the latest research and offering detailed guidance on further reading A landmark contribution to the field this is an essential text for scholars students and anyone interested in Southeast Asia

Japan as the Occupier and the Occupied M. Caprio,2015-06-02 Japan as the Occupier and the Occupied examines transwar political military and social transitions in Japan and various territories that it controlled including Korea Borneo Singapore Manchuria and China before and after August 1945 This approach allows a more nuanced understanding of Japan's role as occupier and occupied to emerge **Historical Dictionary of Malaysia** Ooi Keat Gin,2017-12-18 Malaysia is one of the most intriguing countries in Asia in many respects It consists of several distinct areas not only geographically but ethnically as well along with Malays and related groups the country has a very large Indian and Chinese population The spoken languages obviously vary at home although Bahasa Malaysia is the official language and nearly everyone speaks English There is also a mixture of religions with Islam predominating among the Malays and others Hinduism and Sikhism among the Indians mainly Daoism and Confucianism among the Chinese but also some Christians as well as older indigenous beliefs in certain places This second edition of Historical Dictionary of Malaysia contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has over 500 cross referenced entries on important

personalities politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about Malaysia

Southeast Asian Responses to Globalization Francis Loh Kok Wah,Joakim Öjendal,2005 It is now apparent especially in the aftermath of the regional financial crisis of 1997 that globalization has been impacting upon the Southeast Asian economies and societies in new and harrowing ways a theme of many recent studies Inadvertently these studies of globalization have also highlighted that the 1980s and 1990s debate on democratization in the region which focused on the emergence of the middle classes the roles of new social movements NGOs and the changing relations between state and civil society might have been overly one dimensional This volume revisits the theme of democratization via the lenses of globalization understood economically politically and culturally Although globalization increasingly frames the processes of democracy and development nonetheless the governments and peoples of Southeast Asia have been able to determine the pace and character even the direction of these processes to a considerable extent This collection of essays by some distinguished senior scholars and other equally perceptive younger ones focuses on this globalization democratization nexus and shows empirically and analytically how governance is being restructured and democracy sometimes deepened in this new global era A historical review introduces the volume while an analytical assessment of the ten case studies concludes it

The Economics of World War II in Southeast Asia Gregg Huff,2020-10-22 The first comprehensive account of the impact of Japanese occupation on Southeast Asian economies and societies during World War II

Across the Causeway Takashi Shiraishi,2009 This book considers Malaysia Singapore relations from a range of perspectives Geographical proximity material flows and movements and historical links have long connected the peoples and territories in various ways The 13 essays on history law politics regional security and economy aim to define the links across the Causeway

Rebellion in Brunei Harun Abdul Majid,2007-06-27 Brunei has long been associated with massive oil resources and the stability that its wealth can guarantee But little is known of the revolt of 1962 that might have changed the fortunes of the sultanate and the fate of Southeast Asia In theory Brunei is a constitutional sultanate but in practice it is an absolute monarchy Since the 1962 rebellion a state of emergency has been in force and the Sultan has ruled by decree It is a small state in a region dominated by the superpower of China and its size is a significant factor in determining the country's policy towards defence and security territorially politically and economically This is the first comprehensive history of the Brunei Rebellion which was the trigger for the Indonesia Malaysia confrontation of the 1960s and of critical importance in understanding the history of the region Harun Abdul Majid explores the turmoil throughout Southeast Asia that was the backdrop to the rebellion and analyses how Brunei not only survived but actually emerged from this turbulent period as a stronger and more coherent political state Among other issues he asks how did events affect the position of the Sultan and the people of Brunei How did the relationship with the United Kingdom evolve And what happened next The revolt of 1962 was a small armed uprising in support of a Borneo Federation consisting of

Brunei Sarawak and North Borneo It opposed the Malaysian Federation which was seen as a buttress of British and Western imperial interest In a period of great tension between the West and the Communist world China viewed the rebellion as a national liberation war and it was quickly suppressed by the British Emergency Force But although the rebellion itself was short lived the consequences for the region s international relations within Asia and with the West especially given Brunei s emergence as a significant oilproducer were far reaching

The A to Z of Malaysia Ooi Keat Gin,2010-06-07 The A to Z of Malaysia encapsulates the development of Malaysia from prehistory to the early years of the 21st century It covers not only Malaysia s history but also its politics economy multiethnic society multiculturalism scientific and technological developments and the state of its environment A host of contemporary issues and challenges are featured including ethnic polarization economic equity and polygamy concepts like Ketuanan Melayu Malay Dominance Malaysian Malaysia Malay and Islam Hadhari Civilizational Islam and terms like Ali Baba business kiasi bejalai and Twenty Points Over 500 cross referenced dictionary entries are contained in this reference covering everything from ethno historical entries to those on culinary favorites and personalities A chronology an introductory essay appendixes and a bibliography complement the dictionary entries enhancing the authoritative and up to date information provided

Domination and Contestation Faisal S Hazis,2003-08-01 e This book makes an important contribution to understanding the ongoing political evolution of politics in Sarawak It also provides a case study of the engagement of a dominant state with social forces in a multi ethnic society e Prof Harold Crouch Emeritus Professor Department of Political Taking off from Joel Migdal s notions of the strongman politician strong society weak state and the state in society the author discusses how the federal government accomodates Taib Mahmud s chief ministership over Sarawak and how his long tenure is anchored in winning political support from the Sarawak Muslim Bumiputera community An insightful book on contemporary Sarawak politics e Prof Francis Loh Kok Wah School of Social Sciences Universiti Sains Malaysia e This volume will go a long way in explaining why a single Melanau family has been able to dominate Sarawak politics for the past four decades e Prof James Chin Head of School of Arts and Social Sciences Monash University Malaysia Campus

Southeast Asian Minorities in the Wartime Japanese Empire Paul H. Kratoska,2013-05-13 The Japanese invasion and occupation of southeast Asia provided opportunities for the peoples of the region to pursue a wide range of agendas that had little to do with the larger issues which drove the conflict between Japan and the allies This book explores how the occupation affected various minority groups in the region It shows for example how in some areas of Burma the withdrawal of established authority led to widespread communal violence how the Indian and Chinese populations of Malaya and Thailand had extensive and often unpleasant interactions with the Japanese and how in Java the Chinese population fared much better
