A hands-on resource for all Christians who want to communicate with more passion and power. Tony Campolo and Mary Albert Darling have teamed up to explore the dynamic connection that occurs when spirituality, spiritual practices are combined with effective communication practices. Churches and other religious organizations depend on the ability of their leaders and members to communicate, speak, teach and preach within their congregations and beyond. This important practical guide will reveal Campolo's preaching secrets and Darling's wise counsel as a professor of communication. An Open Place Daniel Schrock, Marlene Kropf, 2012-11

Written from an ecumenical standpoint as a practical aid for moving those experienced in individual spiritual direction toward group practices. This book responds to the movement to expand spiritual direction beyond the classic one-on-one model. Group spiritual direction has the potential to offer the rich experience of individual spiritual direction to a much wider audience, yet very little has been written to provide guidance for starting such groups. This book responds to that challenge. It outlines ways that a diverse and ecumenical group of spiritual directors worked to initiate groups in multiple contexts. It examines the many variables among directors, directees, even meeting spaces that affect and enliven this ministry. And it summarizes pitfalls, success and discoveries. *It's About Time* Brook A. Thelander, 2023-06-20

This book explores common challenges and joys in the life of faith by means of a guided tour through the seasons of the church year. Issues such as complacency, despair, unanswered prayer, evil, suffering, discerning God's will, adversity, achieving inner peace and more are explored from the pastoral perspective of a shepherd's heart. Those new to the church year will discover its blessings and benefits while those more familiar with its rhythms will gain a deeper appreciation of its formative power. Readers are invited on a journey of discovery where following Christ assumes a concrete shape in the midst of life's practical concerns, all within a thoroughly biblical framework. A Guide to Ministry Self-Care Richard P. Olson, Ruth Lofgren Rosell, Nathan S. Marsh, Angela Barker Jackson, 2018-09-10

Ministry has never been an easy path and the challenges of today's changing church landscape only heighten the stress and burn out of congregational leaders. *A Guide to Ministry Self-Care* offers a comprehensive and up-to-date overview of both the causes of stress and strategies for effective self-care. Written for both new and long-time ministers, the book draws on current research and offers practical and spiritual insights into building and maintaining personal health and sustaining ministry long-term.
