Risking the Dream Lee Roddy, 2000 As fifteen year old Gideon seeks work in the Confederate capital tensions at home are inflamed by President Lincoln's ultimatum to the rebelling states **Risking It All** Todd Burkhalter, 2007-06-13 [Risking Intimacy and Creative Transformation in Psychoanalysis](#) Lauren Levine, 2023-04-05 In this compelling book Lauren Levine explores the transformative power of stories and storytelling in psychoanalysis to heal psychic wounds and create shared symbolic meaning and coherence out of ungrieved loss and trauma Through evocative clinical stories Levine considers the impact of trauma and creativity on the challenge of creating one's own story resonant with personal authenticity and a shared sense of culture and history Levine sees creativity as an essential aspect of aliveness and as transformative emergent in the clinical process She utilizes film dance poetry literature and dreams as creative frames to explore diverse aspects of psychoanalytic process As a psychoanalyst and writer Levine is interested in the stories we tell individually and collectively as well as what gets disavowed and dissociated by experiences of relational intergenerational and sociopolitical trauma She is concerned too with whose stories get told and whose get erased silenced and marginalized This crucial question what gets left out of the narrative and the potential for an intimate psychoanalytic process to help patients reclaim what has been lost is at the heart of this volume Attentive to the work of helping patients reclaim their memory and creative agency his book will prove invaluable for psychoanalysts and psychotherapists in practice and in training *The Manufacturing of a Dream* DCC Nhc Huddleston, Mark L. comes when adversity strikes and setbacks nail you When that happens how are you going to respond It s been five years since Pat Williams learned firsthand what an oncologist was Five years since he had to actually prove that he bought into his own message in order to beat the cancer attacking the plasma cells in his bone marrow Five years since he responded to the diagnosis with a new mission for remission and determined to face his mission with one goal winning Now Williams and Kerasotis share that same focus and passion with readers by identifying 12 qualities of extreme winners and by providing all of the tools they need to implement each one When put into practice which readers can do right away there is no telling what can happen And there is no telling what they can accomplish From My Window Melissa Hendrickx,2003-10 The poems in this book were written by Melissa between the ages of 13 and 16 and convey nearly every teenage emotion Although there is often a feeling of hopelessness there is an even stronger sense of determination and the willpower to overcome all that life presents Some of these poems will cause the reader to reflect on past decisions some will lead the reader to a greater understanding of adolescence and others will leave the reader with a sense of promise for a better tomorrow *The Sociology of Risk and Gambling Reader* James F. Cosgrave,2006 First Published in 2006 Routledge is an imprint of Taylor Francis an informa company **At Risk Students** Jonas Cox,2013-09-13 This book is organized around CBUPO the basic psychological needs of all students competence belonging usefulness potency and optimism When teachers and schools focus on meeting these needs the rate of at riskness is drastically reduced This book presents practical strategies and tips to help teachers and administrators help all students become successful learners The revised edition offers new material on using classroom assessment complying with standards and high stakes testing an updated approach to evaluating At Risk Prevention programs and alternative strategies for meeting the motivational needs of at risk youth from developmental constructivism to mastery learning **The Greatest Risk of All** Stanley Cohen,2012-09-21 You will be exposed to an aging Jewish man raised in New York who now finds himself living in Russellville Arkansas and coping with gut wrenching decisions he feels compelled to make concerning his faith He is not alone in this spiritual quest as he is now in the company of a Christian Arkansas coalminers daughter who is also open minded to learn about Messianic Judaism and Yeshua Jesus the Messiah The decision of converting from mainstream Judaism to Messianic Judaism was causing Scott a great amount of anguish He felt that if he was wrong it would be blasphemy In the past he was quiet a risktaker but in this case he wouldnt be risking money he would be risking his soul Scott saw a vision of Jesus wearing a white robe with jet black hair falling over his shoulders The light that surrounded Jesus was indescribably bright and its intensity was not earth like When he tried to remember it he could recall everything except the intensity of the brightness of the light He could not duplicate the light not even in his own imagination **The Romance Of Risk** Lynn E Ponton,2008-08-06 Dr Lynn Ponton has devoted her clinical practice to a particular community teenagers in trouble Whether these kids are struggling with peers experimenting with drugs stealing cars or having unprotected sex they have something in common they are all involved in unhealthy risk taking

And their parents are scared How did my child get involved in this dangerous situation they ask And what can I do Their fears are justified today s teens have more opportunities for taking dangerous risks than ever before But in *The Romance of Risk* Dr Ponton refutes the traditional idea that risk taking is primarily an angry power struggle with parents so called teenage rebellion and re defines it as a potentially positive testing process whereby challenge and risk are the primary tools adolescents use to find out who they are and determine who they will become This new perspective is revealed in a series of mesmerizing tales about individual adolescents and their families Among others we meet Jill a 13 year old thrill seeking runaway Hannah a privileged daughter of suburbia who suffers from anorexia and Joe a high school senior with a serious drinking problem Through these stories we come to understand Dr Ponton s startling observation that teenagers must confront and experience challenge and risk along the path to self discovery For adolescents the powerful allure of the adult world is equaled only by the fear of failing to find a place in it Parents can ease that transition into adulthood however by promoting healthy risk taking so that dangerous options will be avoided In *The Romance of Risk* parents will learn how they can begin to understand rather than fear adolescent risk taking and how to communicate with their children about it After all teenagers will always romanticize risk But with the support and guidance of parents and other adults odds are the risks they take will be the right ones

A Certain Risk Paul Richardson, 2010 In his memoir *A Certain Risk* author Paul Richardson will inspire you to engage the complexities of your world with creative solutions with creativity that comes straight from the heart of the Creator Drawing on stories from his life as a change specialist in the world s largest Muslim country Richardson explores what causes you to be pinned down under personal apathy and disappointment and he helps you seek the Spirit fueled life that can set you free
