## Rita Hayworth A Memoir:

**Rita Hayworth, a Memoir** James Hill, 1983 Screenwriter producer James Hill was Rita Hayworth's fifth and last husband When love bloomed and though marriage soon followed the relationship was doomed Hill wanted to revitalize Rita's career getting her a serious role in *Separate Tables* pairing her with Gary Cooper in *They Came to Cordura* and obsessively pushing her to reveal her comedienne talents to the world Rita on the other hand preferred reading and painting and quiet finally revealing her utter lack of interest in movies of all varieties Hill thought to rescue her from the sharks of the film business but found that he too was using her There are a few intriguing movie making details and copious anecdotal in this often gushy likable yet murky view of the star herself Not the usual star bio by a long shot with only intermittent appeal for the legion of Hayworth fans

*If this was Happiness* Barbara Leaming, 1990 A beautiful actress a gifted dancer a fiery screen temptress linked to some of the most handsome men of her generation Rita Hayworth seemed to live the life that dreams are made of But the reality behind the fantasy was a harsh one Sexually abused by her father as a young girl Rita constantly searched for a man to save her marrying five times At the age of forty two Alzheimer's disease began to ravage her mind cutting short her career at its peak A haunting and sympathetic tribute to the talented but insecure beauty who was created and ultimately destroyed by the movies

**[sic]** Joshua Cody, 2012-05-10 Joshua Cody was about to receive his PhD from Columbia University when he was diagnosed with an aggressive cancer He underwent six months of chemotherapy The treatment failed Expectations for survival plummeted After consulting with several oncologists he embarked on a risky course of high dose chemotherapy full body radiation and an autologous bone marrow transplant In a fevered mesmerising voice slaloming effortlessly between references to Ezra Pound The Rolling Stones and Beethoven in a memoir that is as fresh and beguiling as it is brave and revealing he charts the struggle the fury the tendency to self destruction the ruthless grasping for life for sensation Literary hallucinatory and at times uncomfortable reading sic is ultimately a celebration of art language music and life

*A Childhood Memoir* Melanie Lowy, 2011-09-19 The stomping of black booted automatons the drums beating in tune to murderous chants of hatred a retentive memory of a little girl has captured it all Her early serene Munich childhood wiped out a school in flame a journey alone to England ahead Gone is the school she loved Parted from her adored father with whom she endured prison and worse Stored away safely is her memory of GRAF ZEPPELIN the hideous faces of the Nazi leaders and her love of Munich KINDERTRANSPORT to England aged nine without friend or language leaves her traumatised unused as she is to cope with caring for herself Stays at holiday camps with a kind generous Jewish family in London then it is off once more with Jewish schoolchildren to Bedfordshire weeks before WW2 A love affair begins with the English country side and its animal inhabitants Evacuated to an ancient farm house with no amenities whatever where she is joined by her pious old grandmother she settles down to school life in this strictly orthodox school new friends all refugees Through her father a well known poet she discovers what is happening to Jews in Europe early on and her faith is

shattered A contrasting tale of two childhoods one recalling a deceptively idyllic beginning the other an awakening in a strange but charitable land and the forever haunting realisation of what has been done to her people This is a unique portrait of childhood     *Rita Hayworth* John Kobal,1977     **The 20th Century Go-N** Frank N.
