Many Peoples, One Land Alethea K. Helbig, Agnes Regan Perkins, 2000-10-30 Celebrating the wealth of quality multicultural literature recently published for children and young adults this valuable resource examines the fiction oral tradition and poetry from four major ethnic groups in the United States Each of these genres is considered in turn for the literature dealing with African Americans Asian Americans Hispanic Americans and Native American Indians Taking up where their earlier volume This Land is Our Land left off Helbig and Perkins have teamed up once again to identify and expertly evaluate more than 500 multicultural books published from 1994 through 1999 Both considered authorities in the field of children's literature the two of them personally selected read and evaluated all the books included here Their insightful annotations help readers carefully consider both literary standards such as plot development characterization and style as well as cultural values as they are represented in these cited works Each entry also indicates the suggested age and grade level appropriateness of the work With the proliferation and ever increasing popularity of multicultural literature for children and young adults this sensitively written volume will serve as an invaluable collection development tool Teachers as well as librarians will find the comprehensiveness and organization of this bibliography helpful as a guide in selecting appropriate materials for classroom use Even students will find this book easy to use with its five indexes identifying works by title writer illustrator grade level and subject Public libraries and school media centers will find much use for Many Peoples One Land

The Columbia Guide to Contemporary African American Fiction Darryl Dickson-Carr, 2005-12-06 In both the literal and metaphorical senses it seemed as if 1970s America was running out of gas The decade not only witnessed long lines at gas stations but a citizenry that had grown weary and disillusioned High unemployment runaway inflation and the energy crisis caused in part by U.S. dependence on Arab oil characterized an increasingly bleak economic situation As Edward D. Berkowitz demonstrates the end of the postwar economic boom Watergate and defeat in Vietnam led to an unraveling of the national consensus During the decade ideas about the United States how it should be governed and how its economy should be managed changed dramatically Berkowitz argues that the postwar faith in sweeping social programs and a global U.S. mission was replaced by a more skeptical attitude about government's ability to positively affect society From Woody Allen to Watergate from the decline of the steel industry to the rise of Bill Gates and from Saturday Night Fever to the Sunday morning fervor of evangelical preachers Berkowitz captures the history tone and spirit of the seventies He explores the decade's major political events and movements including the rise and fall of détente congressional reform changes in healthcare policies and the hostage crisis in Iran The seventies also gave birth to several social movements and the rights revolution in which women gays and lesbians and people with disabilities all successfully fought for greater legal and social recognition At the same time reaction to these social

movements as well as the issue of abortion introduced a new facet into American political life the rise of powerful politically conservative religious organizations and activists Berkowitz also considers important shifts in American popular culture recounting the creative renaissance in American film as well as the birth of the Hollywood blockbuster He discusses how television programs such as All in the Family and Charlie's Angels offered Americans both a reflection of and an escape from the problems gripping the country *A Study Guide for V.S. Naipaul's "B. Wordsworth"* Gale, Cengage Learning, *Rites of Passage* Compiler Bolden, Floyd Cooper, 1995-09-25 Seventeen stories about the experiences of young people of African descent around the world by such authors as Toni Cade Bambara John Henrik Clarke Njabulo Ndebele and Barbara Burford

Go Girl! Elaine Lee, 1997 The first travel book for the sisters *Men's Work* Paul Kivel, 2010-06-04 In his groundbreaking work author Paul Kivel helps men confront the political social and personal forces that generate and reward misogyny hatred anger and violent behavior Sexual harassment child abuse incest rape murder war it's impossible today to hear a news report and not be informed of violent acts perpetrated by men Acknowledging that there are no easy answers to the problem of male violence particularly in a world that seems to thrive on aggression and physical force *Men's Work* reaches straight to its root causes In his groundbreaking work author Paul Kivel helps men confront the political social and personal forces that generate and reward misogyny hatred anger and violent behavior Combining years of personal study and reflection with his work with men in the Oakland Men's Project *Men's Work* presents an innovative and workable approach to stopping male violence Kivel shows men how to reclaim the power and responsibility needed to unlearn the lessons of control and aggression Paul Kivel is a nationally known expert on men's issues Through his work at the Oakland Men's Project he helps men confront and change violent behaviors and teaches alternatives to violence in their relationships He also trains teachers therapists probation officers and agency staff who work with men exploring such topics as male female relationships alternatives to violence family violence and sexual assault Kivel resides in Oakland California *From Tweens to Teens* Maria Clark Fleshood, 2016-06-07 All parents want their daughters to become confident happy self-sufficient women but the turbulent years of early adolescence can be difficult to navigate *From Tweens to Teens* invites parents to rethink how they prepare their daughters to face these difficult developmental years In this groundbreaking guide psychotherapist and educator Maria Clark Fleshood encourages parents to revive global traditions to mark preadolescence ages 8 to 13 with rituals and celebrations that guide young women through these years of self-discovery Dr Fleshood provides a tested six-step approach to engage guide and prepare preteens for the challenges and changes of a new developmental stage *From Tweens to Teens* offers parents tools that help them build tweens' self-esteem from the inside out **Africana** Anthony Appiah, Henry Louis Gates (Jr.), 2005 Ninety years after W. E. B. Du Bois first articulated the need for the equivalent of a black Encyclopedia Britannica Kwame Anthony Appiah and Henry Louis Gates Jr realized his vision by publishing *Africana: The Encyclopedia of the African and African American Experience* in 1999 This new greatly expanded edition of the original work broadens the

foundation provided by Africana Including more than one million new words Africana has been completely updated and revised New entries on African kingdoms have been added bibliographies now accompany most articles and the encyclopedia's coverage of the African diaspora in Latin America and the Caribbean has been expanded transforming the set into the most authoritative research and scholarly reference set on the African experience ever created More than 4 000 articles cover prominent individuals events trends places political movements art forms business and trade religion ethnic groups organizations and countries on both sides of the Atlantic African American history and culture in the present day United States receive a strong emphasis but African American history and culture throughout the rest of the Americas and their origins in African itself have an equally strong presence The articles that make up Africana cover subjects ranging from affirmative action to zydeco and span over four million years from the earliest known hominids to Sean Diddy Combs With entries ranging from the African ethnic groups to members of the Congressional Black Caucus Africana Second Edition conveys the history and scope of cultural expression of people of African descent with unprecedented depth

Boys Will be Men Paul Kivel,1999 While the women's liberation movement produced dynamic changes in society's assumptions about girls' roles little has changed about our attitude toward the role of boys Yet the cycle of violence and oppression will not stop until boys are raised to become part of the struggle to end it Boys will Be Men is for all parents who have a vision of a society where peace and justice exist for parents raising their sons in economically disadvantaged communities for feminists who feel confused about raising their sons and for parents of color who need to add their sons' strength to their communities
