A Pilgrimage to the World of Peace and Nonviolence Chandan Sengupta, It is true that we are passing through a critical situation during which entire society is getting divided into class and section day by day on the basis of different types of superficial parameters Such differences are so prominent that they even hamper the normal acculturation process of early schooling and socialisation of individuals through which newly

introduced fellows are allowed to gain a perfect pitching in the multi plural community Service oriented life of modern world is also moving on with such kind of toss and twist giving birth to regional as well as global tension of different degree and radial expansion It is also becoming difficult for us to overcome the situation due to its deeper impression in the mind set of individual coming out from the isolated segments of restricted mechanism of acculturation Main objective of our discussion and analysis is to cultivate a balanced process of educational social as well as economic acculturation which will be suitable enough for ensuring implementation and continuation of world Peace **Silent Killing** Chandan Sukumar

For making the considerations better and widely applicable an effort is made to bring out the doctrines related to Peace and Nonviolence from restricted confinements of Religion Majority of discussion move around the convergence of Sankhya Yoga and Vedantic Philosophy Most widely discussed one of these is Karma Yoga the Yoga of Performance Actions and Perfections in detail It is actually not possible to pass through any one faculty of Yoga without experiencing integration of other aspects of Yoga Because of that reason The Bhagavadgita implies thoughts upon integration of all the streams of philosophy for framing a time tested guide to be adopted by fellow aspirants
