Pamela Volume 2 Samuel Richardson, 2015-11-01 Pamela or Virtue Rewarded is an epistolary novel by Samuel Richardson first published in 1740 It tells the story of a beautiful 15 year old maidservant named Pamela Andrews whose country landowner master Mr B makes unwanted advances towards her after the death of his mother After attempting unsuccessfully to seduce and rape her her virtue is eventually rewarded when he sincerely proposes an equitable marriage to her In the novel s second part Pamela marries Mr B and tries to acclimatise to upper class society The story a best seller of its time was very widely read but was also criticized for its perceived licentiousness A gypsy fortuneteller approaches Pamela and passes her a bit of paper warning her against a sham marriage Pamela has hidden a parcel of letters under a rosebush Mrs Jewkes seizes them and gives them to Mr B who then feels pity for what he has put

her through and decides to marry her. She still doubts him and begs him to let her return to her parents. He is vexed but lets her go. She feels strangely sad when she bids him goodbye. On her way home he sends her a letter wishing her a good life. Moved, she realises she is in love. When she receives a second note asking her to come back because he is ill, she accepts. Pamela and Mr B talk of their future as husband and wife and she agrees with everything he says. She explains why she doubted him. This is the end of her trials; she is more submissive to him and owes him everything now as a wife. Mr Williams is released. Neighbours come to the estate and all admire Pamela. Pamela's father comes to take her away but he is reassured when he sees Pamela happy. Finally she marries Mr B in the chapel. But when Mr B has gone to see a sick man, his sister Lady Davers comes to threaten Pamela and considers her not really married. Pamela escapes by the window and goes in Colbrand's chariot to be taken away to Mr B. The following day Lady Davers enters their room without permission and insults Pamela. Mr B, furious, wants to renounce his sister but Pamela wants to reconcile them. Lady Davers is still contemptuous towards Pamela. She mentions Sally Godfrey, a girl Mr B seduced in his youth, now mother of his child. He is cross with Pamela because she dared approach him when he was in a temper. Lady Davers accepts Pamela. Mr B explains to Pamela what he expects of his wife. They go back to Bedfordshire. Pamela rewards the good servants with money and forgives John who betrayed her. They visit a farmhouse where they meet Mr B's daughter and learn that her mother is now happily married in Jamaica. Pamela proposes taking the girl home with them. The neighbourhood gentry, who once despised Pamela, now praise her.

Mozart the Dramatist Brigid Brophy, 2013-09-19 Brigid Brophy first published her passionate, profoundly original *Mozart the Dramatist* in 1964, revisiting it subsequently in 1988. Organised by theme, the text offers brilliant readings of Mozart's five most famous operas: *Die Entführung aus dem Serail*, *Le Nozze di Figaro*, *Don Giovanni*, *Cos fan tutte* and *Die Zauberflöte*. While a 1988 preface reconsiders *Idomeneo* and *La Clemenza di Tito*, Brophy's analysis is richly informed by her readings and interests in psychoanalysis, myth and relations between the sexes, but her stress above all is on Mozart's unique excellence, his double supremacy both as a classical and psychological artist. An illuminating, invigorating, thought-provoking and profoundly human book of immense value to any lover of Mozart. Jane Glover
