The Chaperon's Seduction Sarah Mallory, 2015-06-01 Ten thousand pounds to whoever can seduce the heiress by Michaelmas Even for dissolute rake Richard Arrandale this latest bet is outrageously scandalous But Richard doesn't care until he meets the heiress's charming chaperon and the stakes are raised even higher Widowed Lady Phyllida Tatham is no longer the shy plain creature she once was She's determined to protect her beautiful stepdaughter but there's one suitor with the worst kind of reputation who seems more interested in seducing her Who will come out on top in this winner takes all game The Infamous Arrandales Scandal is their destiny

Seduction Clement Knox, 2020-02-04 A brilliantly original history that explores the shifting cultural mores of courtship told through the lives of remarkable women and men throughout history If sex has generally been a private matter seduction has always been of intense public interest Whether the stuff of front page tabloid news the scandal of nineteenth century American courts or the stuff of literature across the eras we are fascinated by stories of seduction and sex In the first history of its kind Clement Knox explores seduction in all its historical and cultural incarnations Moving from the Garden of Eden to the carnivals of eighteenth century Venice and from the bawdy world of Georgian London to the saloons and speakeasies of the Jazz Age this is an exploration of timeless themes of power desire and free will Along the way we meet Mary Wollstonecraft her daughter Mary Shelley and her friend Caroline Norton and reckon with their fight for women's rights and freedoms We encounter Jack Johnson the first black heavyweight champion of the world who became entangled in America's labyrinthine and racialized seduction laws We discover how tall tales of predatory vampires hypnotists and immigrants were mobilized by Nazis and nativists to help propel them to power We consider how after seduction seemingly vanished from view during the Sexual Revolution it exploded back into our lives as The Game became a multi million bestseller online dating swept the world and the ongoing male fascination with manipulating women was exposed In a big thinking cultural history told through an extraordinary range of stories and sources Knox explores how our ideas about desire and pursuit have developed in step with the modern world This is a bold modern charter of seduction from the birth of the Enlightenment to the explosion of romantic literature and right up to our contemporary moments of reckoning around incel culture and MeToo

Misery's Mathematics Peter Balaam, 2009-01-19 This book reveals the strain of a moment in American cultural history that led several remarkable writers, Emerson, Warner, and Melville, to render loss in innovative ways. These three key writers rejected Calvinist and sentimental models of bereavement, creating instead the compensations of a mature American literature.

Delicate Pursuit Jessica Levine, 2002 While white racism has global dimensions, it has an unshakeable lease on life in South African political organizations and its educational system. Donnarae MacCann and Yulisa Maddy here provide a thorough and provocative analysis of South African children's literature during the key decade around Nelson Mandela's release from prison. Their research demonstrates that the literature of this period was derived from the same milieu: intellectual, educational, religious, political, and economic, that brought white supremacy to South Africa during colonial times. This volume is a signal

Labor Lori Merish establishes working class women as significant actors within literary culture dramatically redrawing the
map of nineteenth century US literary and cultural history Delving into previously unexplored archives of working class
women's literature from autobiographies pamphlet novels and theatrical melodrama to seduction tales and labor periodicals
Merish recovers working class women's vital presence as writers and readers in the antebellum era Her reading of texts by a
diverse collection of factory workers seamstresses domestic workers and prostitutes boldly challenges the purportedly
masculine character of class dissent during this era Whether addressing portrayals of white New England factory girls
fictional accounts of African American domestic workers or the first person narratives of Mexican women working in the
missions of Mexican California Merish unsettles the traditional association of whiteness with the working class to document
forms of cross racial class identification and solidarity In so doing she restores the tradition of working women's class protest
and dissent shows how race and gender are central to class identity and traces the ways working women understood
themselves and were understood as workers and class subjects **Nineteenth-Century Transatlantic Reprinting and**
the Embodied Book Jessica DeSpain, 2016-05-06 Until the Chace Act in 1891 no international copyright law existed
between Britain and the United States which meant publishers were free to edit text excerpt whole passages add new
illustrations and substantially redesign a book's appearance In spite of this ongoing process of transatlantic transformation of
texts the metaphor of the book as a physical embodiment of its author persisted Jessica DeSpain's study of this period of
textual instability examines how the physical book acted as a major form of cultural exchange between Britain and the United
States that called attention to volatile texts and the identities they manifested Focusing on four influential works Charles
Dickens's *American Notes for General Circulation* Susan Warner's *The Wide Wide World* Fanny Kemble's *Journal of a*
Residence on a Georgian Plantation and Walt Whitman's *Democratic Vistas* DeSpain shows that for authors readers and
publishers struggling with the unpredictability of the textual body the physical book and the physical body became
interchangeable metaphors of flux At the same time discourses of destabilized bodies inflected issues essential to
transatlantic culture including class gender religion and slavery while the practice of reprinting challenged the concepts of
individual identity personal property and national identity Rural Unwed Mothers Mazie Hough, 2015-10-06 Drawing
