Naiken, 2002 This book will change your life I know for what you are about to read has changed mine to a certain degree However I would like to properly articulate the overwhelming emotions and warmth from my heart for the man that I have known for more than 23 years His presence remains so influential in my life and so familiar to my family and me Indeed Dr Naiken is such a good friend a spiritual brother that most of the time we have come to function at the same level of mind we perceive the same thoughts intuitions and feelings about events to happen unstrange as this may seem Since his early years Dr Naiken made his search for inner fulfillment the mark of planting seeds of what would eventually blossom into his dedication towards helping people reach their unlimited inner resources The account of personal power presented in this book actually happened to us In many cases the changes took place in the same amount of time it will take
