See Through The Scriptures:

See Through the Scriptures H. N. Wendt, 1993 **See Through the Scriptures** Harry N. Wendt, 2003 **See Through the Scriptures Student Workbook** H. N. Wendt, 2003 **Seeing Through Religion** Nathan McGovern, 2025-09-19

Seeing Through Religion is a cutting edge textbook designed to help students in their study and research of the world's religious traditions. Providing the tools to learn this valuable subject theoretically, McGovern argues that religion isn't a thing out there in the world; it's the glasses on your face through which you see the world shaped by Western history and in particular Christianity. By exploring the major religious traditions and comparing stereotypes about them to reality, this textbook establishes how the lens of religion systematically distorts our perception of the world. Topics covered include: What Is Religion, Colonialism and the Two Faces of Orientalism, Islam Does Fear Imply Difference, Buddhism A Philosophy or a Religion, Hinduism A Polytheistic or a Monotheistic Religion, Chinese Religion, What Is It and Where Can We Find It, Indian Religions, How Can One Religion Include Another, Tibetan Buddhism Is It Still Buddhism, Judaism A Religion or an Ethnicity, Indigenous Traditions, What Gets Counted as a Religion, Secularism Can We Put Religion in a Box, How is the way we think about religion influenced by the theology of Martin Luther, How does the Christian paradigm of religion distort our perception of Christianity itself. This textbook not only provides a survey of important religious traditions but also guides the reader on how to study religion in a methodologically sophisticated way. This innovative volume is essential reading for those who want a contemporary and engaging approach to the study of world religions.

Animals as Seen Through God's Eyes Dwila R. Funk, 2014-06-30

Have you ever wondered what happens to your beloved pet when he or she dies? Will you ever be able to see him or her again in heaven? Or have you been plagued by the disturbing thought that animals are only here on earth for our enjoyment in this life but when they die that is it for them and they are gone forever? This haunted me for decades until I finally got up enough courage to seek out the truth for myself. I went to the word of God to conduct my own research. This book is the result of my quest to find the truth about how God really sees animals and His plan for them. I was astounded by the wealth of information that God shares in the Holy Bible regarding animals. The answers are there hidden in His word. All anyone needs to do is look.

Reading the Bible Supernaturally John Piper, 2017-04-13

The Bible reveals glorious things. And yet we often miss its power because we read it the same way we read any other book. In *Reading the Bible Supernaturally*, best-selling author John Piper teaches us how to read the Bible in light of its divine author. In doing so, he highlights the Bible's unique ability to reveal God to humanity in a way that informs our minds, transforms our hearts, and ignites our love. With insights into the biblical text drawn from decades of experience studying, preaching, and teaching Scripture, Piper helps us experience the transformative power of God's Word—a power that extends beyond the mere words on the page. Ultimately, Piper shows us that in the seemingly ordinary act of reading the Bible, something supernatural happens.
