Religions of Japan in Practice George J. Tanabe Jr., 2020-06-30 This anthology reflects a range of Japanese religions in their complex sometimes conflicting diversity. In the tradition of the Princeton Readings in Religions series the collection presents documents legends and miracle tales hagiographies ritual prayers and ceremonies sermons reform treatises doctrinal tracts historical and ethnographic writings most of which have been translated for the first time here that serve to illuminate the mosaic of Japanese religions in practice. George Tanabe provides a lucid introduction to the patterned confusion of Japan's religious practices. He has ordered the anthology's forty-five readings under the categories of Ethical Practices Ritual Practices and Institutional Practices moving beyond the traditional classifications of chronology religious traditions Shinto Confucianism Buddhism etc and sects and illuminating the actual orientation of people who engage in religious practices. Within the anthology's three broad categories subdivisions address the topics of social values clerical and lay precepts gods spirits rituals of realization faith court and emperor sectarian founders wizards and heroes orthopraxis and orthodoxy and special places. Dating from the eighth through the twentieth centuries the documents are revealed to be open to various and evolving interpretations their meanings dependent not only on how they are placed in context but also on how individual researchers read them. Each text is preceded by an introductory explanation of the text's essence written by its translator. Instructors and students will find these explications useful starting points for their encounters with the varied worlds of practice within
