Markham, 2023-07-07 Institutions are very precious If any idea is going to persist into the future then it needs an institution to keep it going Each of us comes to understand often only gradually over the decades how some influences from our earlier life have affected us Some will have been inspiring Some will have given us direct models of how to behave or how not to behave Indeed it is often the case that the deeper an influence turns out to have been in the long run the less likely it is that we noticed it at the time it was happening For this reason it has become necessary to find the time to reflect on and express gratitude for the institutions that helped form who we are and the work that we do This collection of essays explores the impact of one institution on twenty five participants twenty five years after we worked together The Institution was Liverpool Hope University College and is now Liverpool Hope University By telling and reflecting on our stories we aim to encourage others to think about their own experiences and ultimately our earnest hope is that a greater awareness of this aspect of university life will help to transform our collective understanding of the nature of universities in particular and of communities institutions or societies in general But there was something special about belonging to a community called Hope Discipleship: A Lifelong Spiritual Pilgrimage Vernon T. Jones, 2013-08-16 For surely I know the plans I have for you says the Lord plans for your welfare and not for harm to give you a future with hope Jeremiah 29 11 How do we know God's plans for us How do we know God leads and talks to us daily How do we become more disciplined in our spiritual walk in order to better hear God's voice and guidance in our lives There are no easy answers to these questions However when we are intentional in our times of prayer Bible study and reflection the Holy Spirit opens our hearts to God's love allowing us to see opportunities for further direction and growth Discipleship A Lifelong Spiritual Pilgrimage offers guidance and gives support to those already involved in this pilgrimage plus encouragement to those wanting to do more in developing good discipleship practices **Journal Keeping** Luann Budd, 2002-01-29 Luann Budd offers to help you get started journaling and she introduces you to the power of writing as a spiritual discipline through helpful tips and examples from her own journals *Wounded Prophet* Michael Ford, 2009-03-04 Henri Nouwen a Dutch Roman Catholic priest was one of the most beloved and important spiritual writers of the twentieth century Since his death in 1996 his stature has only increased and his books including *The Inner Voice of Love* *The Wounded Healer* and *The Return of the Prodigal Son* have become cherished classics For thousands of readers around the world Nouwen's influence as a teacher and author is considered equal to or greater than that of the century's great spiritual writers C S Lewis and Thomas Merton Although Nouwen could be radically revealing about his personal thoughts and struggles there are nonetheless gaps in our understanding of who he was With *Wounded Prophet* readers are given the first extensive look into this man who touched so many not only through his own words but most powerfully through the eyes of those around the world who knew Nouwen

best While researching this compelling biography BBC producer Michael Ford conducted wide ranging interviews with Nouwen s friends colleagues and family members What he discovered was far more compelling than what he had imagined Though Nouwen was indeed the generous and loving man many thought he was he was also never able to find consistent peace in his own life Tormenting him were profound feelings of anxiety insecurity and loneliness This portrait gives an honest and well balanced account of Nouwen s life that leaves no stone unturned investigating his childhood his family his sexuality and his life as a priest and member of the L Arche Daybreak community in Toronto *Reaching Out* Henri J. M.

Nouwen,2013-11-20 With clarity and depth characteristic of the classics this spiritual bestseller from the author of *The Return of the Prodigal Son* lays out a perceptive and insightful plan for the spiritual life and achieving the ultimate goal of that life union with God One of the world s greatest spiritual writers Christianity Today Henri Nouwen views our spiritual ascent as evolving in three movements The first from loneliness to solitude focuses on the spiritual life as it relates to the experience of our own selves The second from hostility to hospitality explores our spiritual life as a life for others The final movement from illusion to prayer offers penetrating thoughts on the most mysterious relationship of all our relationship with God Throughout Nouwen emphasizes that the more we understand and not simply deny our inner struggles the more we will be able to embrace a prayerful and genuine life that is also open to others needs *Reaching Out* is a rich book to be read reread pondered and shared It does not offer answers or solutions Nouwen cautions but is written in the conviction that the quest for an authentic Christian spirituality is worth the effort and the pain since in the midst of this quest we can find signs offering hope courage and confidence **The Wounded Healer** Henri J. M. Nouwen,2013-11-20 A radically fresh

interpretation of how we can best serve others from the bestselling author of *The Return of the Prodigal Son* hailed as one of the world s greatest spiritual writers by Christianity Today In our own woundedness we can become a source of life for others In this hope filled and profoundly simple book Henri Nouwen inspires devoted men and women who want to be of service in their church or community but who have found traditional outreach alienating and ineffective Weaving keen cultural analysis with his psychological and religious insights Nouwen presents a balanced and creative theology of service that begins with the realization of fundamental woundedness in human nature According to Nouwen ministers are called to identify the suffering in their own hearts and make that recognition the starting point of their service Ministers must be willing to go beyond their professional somewhat aloof roles and leave themselves open as fellow human beings with the same wounds and suffering as those they serve In other words we heal from our wounds *The Wounded Healer* is a thoughtful and insightful guide that will be welcomed by anyone engaged in the service of others *Mothering, Public Leadership, and Women's Life Writing* Claire Wolfeitch,2017-07-31 In *Mothering Public Leadership and Women s Life Writing* Claire E Wolfeitch presents a series of case studies in Christian spirituality bringing mothers autobiographical writing into focus for theological reflection From the medieval mystic Margery Kempe to the twentieth century activist Dorothy Day from African

American preacher Jarena Lee to labor organizer Dolores Huerta the book mines women's first person writing surfacing critical issues for theological analysis Listening deeply to these diverse maternal voices the book advances creative theological reflection on work vocation time poverty Sabbath and spiritual guidance Mothering Public Leadership and Women's Life Writing demonstrates the significance of the study of mothering for theology and spirituality studies and the import of life writing as an underutilized source for practical theology
