if YOU ask me... Dale Anderson,2019-07-10 Everyone has a life story that needs to be told Tucked away in that story are the gems that lie hidden waiting to be revealed Recently I have heard stories told by people of their family s fascinating life experiencesstories that I could not relate to but found intriguing and remarkable However many of these jewels will continue

to lie hidden dormant and eventually losing their luster and brilliance Until the day they return to dust and are forever forgotten if YOU ask me is written from a brief time in my life when one of those gems was discovered and how it turned into a golden ambition challenging me with the desire to take a stand to make a difference This is a story about my life kids and adoption adventure How I on this journey was confronted with a purpose that only God could have laid out for me How I caught a brief reflection of the orphan child in His eyes In that glimpse I saw a task of colossal magnitude Little did I know how much that effort would challenge my abilities This is a story about how my perspective has been challenged but has not weakened Instead it has intensified knowing that when God shows you a burden there could be mystery sadness excitement travel and new adventure waiting for you Sounds like it should be an ad for a travel destination Instead it is a pearl in the dust under my feet waiting to be discovered **Spa Day - Be Careful What You Ask For** Anne Marie Gurnick,2024-01-05

by and no amount of med school training could dispel the terror of facing actual patients This funny candid memoir of McCarthy s intern year at a New York hospital provides a scorchingly frank look at how doctors are made taking readers into patients rooms and doctors conferences to witness a physician s journey from ineptitude to competence McCarthy s one stroke of luck paired him with a brilliant second year adviser he called Baio owing to his resemblance to the Charles in Charge star who proved to be a remarkable teacher with a wicked sense of humor McCarthy would learn even more from the people he cared for including a man named Benny who was living in the hospital for months at a time awaiting a heart transplant But no teacher could help McCarthy when an accident put his own health at risk and showed him all too painfully the thin line between doctor and patient The Real Doctor Will See You Shortly offers a window on to hospital life that dispenses with sanctimony and self seriousness while emphasizing the black comic paradox of becoming a doctor How do you learn to save lives in a job where there is no practice
