

The background of the entire image is a dramatic sky with soft, white and grey clouds. A bright, glowing light source, possibly the sun or moon, is positioned in the upper left quadrant, creating a lens flare effect. In the lower foreground, the dark silhouette of a person is shown from the back, with their right arm raised and hand open, reaching towards the light. In the upper left, within the clouds, there is a faint, ethereal image of a person, possibly an angel or a saint, looking down.
