Sachsman,S. Kittrell Rushing,Roy Morris (Jr.),Roy Morris,2009 This volume chronicles the media s role in reshaping American life during the tumultuous nineteenth century by focusing specifically on the presentation of race and gender in the newspapers and magazines of the time The work is divided into four parts Part I Race Reporting details the various ways in which America s racial minorities were portrayed Part II Fires of Discontent looks at the moral and religious opposition to slavery by the abolitionist movement and demonstrates how that opposition was echoed by African Americans themselves Part III The Cult of True Womanhood examines the often disparate ways in which American women were portrayed in the national media as they assumed a greater role in public and private life and Part IV Transcending the Boundaries traces the lives of pioneering women journalists who sought to alter and expand their gender s participation in American life showing how the changing role of women led to various journalistic attempts to depict and define women through sensationalistic news coverage of female crime stories **The Deliverance of Sanctuary** Ikhtisad Ahmed,2010 The Deliverance of Sanctuary is a fast paced existentialist play with snappy and witty dialogues quick exchanges and quick interchanges a tragicomedy in three Acts It is a Theatre of the Absurd revival with colourful hyperbolic and interesting characters that engross us during an eccentric yet seemingly divine journey Any strict interpretations would however be erroneous because the play is nothing other than absurd Its brilliance lies in its simplicity which is used effectively to bind together numerous themes to produce an evocative commentary on human condition as it has been and will always be Everything that happens is as important as everything that does not all that is said is as significant as all that is not This creates a unique platform that truly allows the audience to partake in The Deliverance of Sanctuary by taking from it only what each sees fit Seek the Frozen Lands Frank Nugent,2013-09-15 High on any list of Polar explorers would be the names Crozier McClintock McClure and Shackleton But how many know they were all Irish Seek the Frozen Lands unveils an array of Irish heroes largely unknown in modern Ireland The saga begins with Edward
