Seeking The Face Of God

Daniel Henderson

Seeking The Face Of God:

WHEN I SEEK GOD'S FACE ALLEN TIMILEHIN OLATUNDE, When I seek God's face is a discipleship book that explains the necessity of closer walk with God. It contains the benefits in seeking the Face of God, the dilemma of the Unbroken life, the need for renewal like that of eagle, the purpose and the nature of seeking God, our duty post the arm of prayer in strengthening the man who seeks God, the power of keeping hope of Christ alive as the anchor for our soul and lastly the full concentration in pressing towards the mark of winning the presence of God at the end of all struggle on earth. This book challenges our thought to seek God's face not His hand that we should be mature Christians that grow beyond earthly gain and to seek God for what He has for us both now and hereafter, developing means and strategy for language barriers, mission funding and support, neglecting education as mission tool and ill health challenges of missionaries which usually truncate dreams. This book however interacts with Nigerian Baptist Mission under GMB and her relationship with local churches on how to strengthen missionaries with SWOT Analysis. This book recommends suggested ways for African mission boards and agencies to be pragmatic in strategic making, be aware of the psychological welfare of her missionaries and provide a health insurance scheme for serving missionaries. When Mission Board and local churches hold hands together, missionaries will strive better on the field. Mission is still young in Africa; dark soil, we only need men, methods and materials to grow gospel as God increases the open doors for mission.

Seeking the Face of God Martyn Lloyd-Jones, 2005-03-03 One thing have I desired of the LORD that will I seek after that I may dwell in the house of the LORD all the days of my life to behold the beauty of the LORD and to enquire in his temple Psalm 27:4 KJV The Psalms are treasures from those who earnestly sought the face of God. They are honest messages of sorrow, joy, praise and wisdom from real people who experienced real struggles. In the psalmists words we see their hearts open before God. In *Seeking the Face of God* Martyn Lloyd Jones unpacks nine passages from the Psalms and weaves them together with the everyday life of the world in which we live. His reflections are practical, powerful and profound. For those just beginning to study the Psalms as well as those who know them well and wish to consider them from a new angle, this collection of sermons from one of the greatest preachers of the twentieth century will move your mind to greater understanding and your heart to deeper worship.

Seeking the Face of God Gary Thomas, 1999-01-01 Thomas turns to the classic writings of well known Christians to offer a program for rediscovering an authentic Christian spirituality that applies to everyday life's frustrations, problems and even joys. Many will be grateful for the forceful sensitivity of this survey of classical insights into our fellowship with God. J. I. Packer **The Art of Seeking the Face of God.** Congregation for Institutes of Consecrated Life, 2020-10-15 These Guidelines provide simple directions for the formation of nuns according to the specific need in order to support the journey of contemplative women seeking the true God, the praying heart in the Church and for the Church outpost of humanity and parable of the Kingdom of Heaven.

Makoni,2014 **Seeking God's Face: Praying with the Bible Through the Year** Philip F. Reinders,2013-12-18 From the very beginning of the church Christians have found it helpful to pause for prayer during various times of the day Whether for morning or evening devotions or other fixed time prayers such spiritual respites were deemed essential to worshipping God Over the years Christians developed a structure for such moments of worship keyed to the time of day and season of the year Part of its genius was the seamless integration of Scripture and prayer This ancient practice called the Daily Office has experienced a resurgence of use in our time Seeking God s Face is a user friendly approach to this form of prayer and devotion Each office includes a psalm of praise a passage of Scripture and a brief set of prayers An introduction to prayer book use from Eugene Peterson is included to acclimate readers to this form This edition features 11 5 point type that makes for comfortable reading without straining Seeking God's Face Notto R. Thelle,2008 Is it possible to find God beyond the distorted images and empty words Can we even speak about God at all The author claims that it is more important than ever to look for a truer image of God A person who seeks God s face will be compelled at the same time to seek his or her own face Conversely those seeking to find themselves are often compelled to search for God The book describes faith as a spacious landscape in which one can breathe freely and engages the rich imagery of the Bible to help the individual breathe freely and find orientation without feeling imprisoned This openness and freedom are to be found in the Gospel itself says the author They were lived by the Master himself who portrayed the face of God by meeting human beings where they actually were not where they ought to have been **21 Days of Praise** Lucille Willis,2017-03-14 POWERFUL PURPOSEFUL PRAISE Its time to make God a priority and discover how to live a lifestyle of purposeful praise 21 Days of Praise is transformational inspirational and will help you create Gods best for your life Learn to seek His face by doing the following Effectively reading and meditating on the Word of God Listening to the voice of God Understanding the difference between thanking God and praising Him Praising God more purposefully and intimately Presenting your best praise offering Documenting your life

Moore,2018-06-29 I prayed a lot and asked people who understood the importance of prayer to pray for me as I fought to understand the natural and supernatural battle I was fighting I asked God to give me and my family the information we needed to be well in every area of our lives Some days were better than others but eventually I became strong enough to walk away from hopelessness and depression and go into the arms of God He is more real to me now than ever before I implemented my findings as soon as I understood how to apply them by making changes in manageable ways until I received a breakthrough on a daily basis Sometimes I had to start over again I didn't have a medical background so I went to the Great Physician our Lord and Savior to guide me as I embarked on this journey He is true to His word and was with me every step of the way To our God Yahweh goes the glory *Seek My Face* Arthur Green,2003 Arthur Green's classic work of contemporary Jewish theology revised and updated He tackles the topics of the reality of God creation revelation and the return to God that are so much a part of our times It is a profound deeply personal statement of the lasting truths of Jewish mysticism and the basic faith claims of Judaism **Seek the Face of the Lord** Izuora Ralph Ikechukwu,2012-07 Arise shine for your light has come and the glory of the Lord has risen upon you Isaiah 60:1 There are basically three sides to a story yours mine and the truth None may be lying in cases where shared memories tend to serve each person differently This is primarily because mood and disposition still have their roles to play in works of interpretation irrespective of the understandability of the interpreter However works of divine inspiration as this one tend to be an exception somewhat to that rule because the Holy Spirit is usually in charge and in control of such inspired ventures irrespective of the person so moved by the spirit Having said that please note that there is only one side to the story in this book and that side is none but the TRUTH Considering the fact that I am one person in the world with a very dark past and shambled theological training I still shudder in awe at the divine involvement in my life for which I am alive and renewed today to heed to the Ministry which I received in Christ Jesus The Holy Bible has a proper

admonition for each and everyone thus take heed to the ministry which you have received in the Lord that you may fulfill it Colossians 4 17 SEEK THE FACE OF THE LORD is a book that evolved out of a most humble submission to the WILL of God for my life in spite of my escapades and inadequacy I have therefore been divinely seized contrary to my conscious and involuntary objections to do the work of Gospel dissemination and outreach through divinely inspired combination of songs and attendant books of illumination This book has nine chapters and is focused on illuminating the life and teachings of Jesus Christ as role model ideal for God s kingdom life here on earth and hereafter This book should therefore be read alongside the Holy Bible and the corresponding Gospel songs for each chapter for a greater mental physical and spiritual discipline As you get ready to begin a most demanding journey into these pages of spiritual re awakening I implore you not to be faint but to arise and shine because your light has come This book and its attendant songs contain powerful insight to the teachings of our Lord Jesus that you cannot but allow the glory of the Lord to rise upon you and rekindle your spirit Be blessed in Jesus Name IZUORA RALPH IKECHUKWU a k a EYE KINGDAZZLE Seeking God's Face Pope Benedict XVI,2020 **Seeking The Face of God** Steve Loopstra,2020-01-19 A year long prayer guide for those hungry for a more intimate and real relationship with the Living God Weekly topic and suggestions for prayer **Seek My Face** William A. Barry,2009-03-12 What does it mean to have a relationship with God Why do so many of us avoid a relationship with God at all costs What examples from Scripture might guide us in developing a close prayerful relationship with God In Seek My Face William A Barry SJ provides thoughtful and easy to understand answers that can help anyone draw closer to God Throughout the book Fr Barry introduces situations and personalities from both the Old and New Testaments to show readers the various ways in which people in the Bible Abraham Moses Peter Jesus drew closer to God and how we can use their examples to develop a closer relationship with God ourselves **Secrets of the Prince of Expositors** Michael Hawk Mills,2025-04-25 Crowds thronged to hear Alexander Maclaren Some tried to bribe the doormen for a seat and extra chairs often had to be placed on stage next to the pulpit What drew so many to travel to Manchester England to hear a preacher Maclaren knew how to apply the text to real life His dedication to expository preaching was unique in his day and even surpassed that of his friend Charles Haddon Spurgeon His ministry remains as a needed model for today because countless congregants still see the Bible as stories with little or no relevance to their daily duties Every Sunday people go to a Bible study listen to a sermon or read Scripture and they leave without transforming any part of their lives Despite consistently studying the Bible some people show little difference between the way they act now and the way they acted years ago This problem partially comes down to a lack of good biblical application coming from preachers and teachers of Scripture Maclaren s sermons as well as his essay An Old Preacher on Preaching teach expositors today how to make the Bible s truths come alive and be applicable **Heart Thoughts** Boots Brizendine,2017-07-21 Heart Thoughts is a daily devotional meant to be read each day inspiring the reader to meditate on the message as God speaks to their heart then apply what God says to their life Some devotions are funny

some are sad some are current culture but all come from the heart
