Selected Chinese Sayings; Translated and Annotated by T.C. Lai. 4th Ed Tim Cheong LAI,1970 ...Selected Chinese Sayings, Translated and Annotated by T.C.Lai T'ien Ch'ang Lai, *Selected Chinese Sayings. Translated and Annotated by T.C. Lai. Eng. & Chin* T'ien Chang LAI,1960 Selected Chinese Sayings T. C. Lai,197? **Select Phrases in the Canton Dialect** John G. Kerr,1888 **Select Phrases in the Canton Dialect** John Glasgow Kerr,1889 **A Corpus-based Contrastive Study of the Appraisal Systems in English and Chinese Scientific Research Articles** Xu Yuchen,Yan Xuan,Su Rui,Kou Ying,2021-12-28 Appraisal is the way language users express their attitude towards things people behaviour or ideas In the last few decades significant achievements have been made in Appraisal Theory research yet little attention has been paid to appraisal in scientific texts especially in relation to the contrast to how it is applied in English and Chinese This title examines the similarities and differences of Appraisal systems in English and Chinese scientific research articles Using a self constructed corpus of scientific research articles the authors make cross linguistic comparisons in terms of the quantity and distribution patterns of categories of appraisals They creatively categorise articles into theoretical scientific research articles and applied studies and discover that for both languages each genre can have its own favorite mode of distribution for the realization of appraisal systems In addition this research helps appraisal theory systems to become more explicit specific and more applicable for the analysis of scientific research articles Students and scholars of applied linguistics comparative linguistics and corpus linguistics will find this an essential reference **A Corpus-based Analysis of Vocabulary Translation in Teaching Chinese as a Foreign Language** Saihong Li,Yifei Hao,2025-10-20 This monograph investigates the landscape of vocabulary translation challenges within Teaching Chinese as a Foreign Language T C F L textbooks In the era of globalisation where the demand for Chinese language proficiency has escalated due to cultural exchanges economic collaborations tourism and overseas learning this study examines the accuracy and effectiveness of vocabulary translations in T C F L textbooks The authors adopt an innovative approach centring on analysing audience responses including feedback from teaching practitioners and learners of Chinese languages and utilising corpus based data to evaluate the consistency and appropriateness of vocabulary translations This book is an essential resource for scholars and educators as well as students in education Chinese studies translation studies and language learning A History of Western Appreciation of English-translated Tang Poetry Lan Jiang,2018-03-08 This book examines the development of English translated Tang poetry and its propagation to the Western world It consists of two parts the first of which addresses the initial stage of English translated Tang poetry s propagation and the second exploring its further development By analyzing the historical background and characteristics of these two stages the book traces the trend back to its roots discusses some well known early sinologists and their contributions and familiarizes readers with the general course of Tang poetry s development In addition it presents the translated versions of many Tang poems The dissemination of Tang poetry to

the Western world is a significant event in the history of cross cultural communication From the simple imitation of poetic techniques to the acceptance and identification of key poetic concepts the Tang poetry translators gradually constructed a classic Chinese style in modern American poetry Hence the traditional Chinese culture represented by Tang poetry spread more widely in the English speaking world producing a more lasting impact on societies and cultures outside China and demonstrating the poetry s ability to transcend the boundaries of time region nationality and culture Due to different cultural backgrounds the Tang poets or poems admired most by Western readers may not necessarily receive high acclaim in China Sometimes language barriers and cultural differences make it impossible to represent certain allusions or cultural and ethnic concepts correctly during the translation process However in recent decades the translation of Tang poetry has evolved considerably in both quantity and quality As culture is manifested in language and language is part of culture the translation of Tang poetry has allowed Western scholars to gain an unprecedented understanding of China and Chinese culture **Two**

This is an open access book With the progress of social civilization social science and its research are becoming more and more important Theoretically and practically the study of social phenomena and social problems and the development of prosperous social sciences are the eternal themes of human beings At present social science research and its results can hardly meet the needs of social development especially the unscientific evaluation of

social science results which has aroused great concern from all walks of life and has produced dirt and questions on social science thus affecting the proper development of social science Max Weber once said that the most important function of social science in modern times is to keep people clear headed and to resist the delusions of prophetic legislators Humanities and arts are the process of perceiving realizing thinking manipulating and expressing objective or subjective objects through capturing and excavating feeling and analyzing integrating and applying or displaying the stage results in the form obtained through feeling seeing hearing smelling touching The social sciences and humanities and arts contain content that will directly affect our lives and the way society functions And by reacting to today s increasingly intricate problems and situations through systematic and professional discussions they will further contribute to the improvement of institutions and the development of society By thinking about issues and looking at problems and the world from different perspectives by putting the two together it may be possible to have more comprehensive appropriate and better responses for example the development of laws requires a deeper understanding of the environment in which they are implemented international trade requires a certain understanding of the customs of different countries and the development of tax and economic policies requires a certain understanding of the population consumer demand etc

Sustainable Urban Development through Agriculture in Shanghai, China Yingjie Ge,Lily Kiminami,Shinichi Furuzawa,2024-12-10 This book explores how the development of innovative urban agricultural businesses is creating social innovation and changing the perception and behavior of urban residents with a focus on Shanghai China a global city that has achieved economic growth amid rapid urbanization Latent class analysis cognitive map analysis and structural equation modeling were introduced in this research to evaluate the results of a questionnaire survey of urban residents sense of community and community garden initiatives

Qualitative analyses such as the trajectory equifinality model were applied to cases of social entrepreneurs in urban agriculture as a creative class. The analytical results revealed that urban agriculture can contribute to the quality of urban life. In addition, the results made clear that diverse strategies are implemented in urban agriculture bringing about changes in the urban sociocultural environment such as the interaction among social entrepreneurs and stakeholders including urban residents and policy makers. The government should implement policies and measures that transform the socio cultural environment encompassing gender issues in order to achieve the well being of urban residents. It is extremely important for policy makers to understand residents true needs and their diversity and to effectively reflect them in urban planning and project implementation.

Proceedings of the 3rd International Conference on Language and Cultural Communication (ICLCC 2025) Sharifah Faizah Syed Mohammed, Yao Song, Hafiza Burhanudeen, Guiyun Guan, 2025-08-10. This is an open access book. With the continuous advancement of globalization and informatization, language and culture as an important part of human society play a vital role in global social economic political and cultural exchanges. At the same time, the development of digital media and emerging communication technologies has also brought new challenges and opportunities to language and cultural communication. In the face of the complicated new situation, how to explore the interactive relationship between language and culture through in depth academic research and realize the diversified dissemination and coexistence of culture has become an important issue to be solved urgently in the academic circle. To this end, the third International Conference on Language and Culture Communication came into being, aiming to promote academic progress and international cooperation in related fields. The 3rd International Conference on Language and Cultural Communication (ICLCC 2025) will be held in Beijing, China from January 17 to 19, 2025.
