Including a dozen photographs that place this giant in the context of the extraordinary company he kept. *The Selected Correspondence of Karl A. Menninger 1946-1965* not only extends and complements Menninger's other work but also illuminates his fundamental concerns, ideals and philosophy during the twenty years from 1946-1965. Menninger works through seminal ideas in these letters, presenting both preliminary formulations and later revisions, modifications and defenses in response to exchanges with his correspondents.
