Chiavaroli,2022-11-01 A shameful past an orchard camp and a kindling romance not exactly Little Men but Bronson Martin never liked being compared to the March family anyhow Grossly outnumbered by the women in the Martin family clan Bronson fights tooth and nail to be taken seriously among his mother and sisters who still in many ways think of him as a young boy As the man of the house all Bronson wants is to take care of his family and to work toward something of lasting value But as his dream of an orchard camp and apple picking venture take root an unexpected woman shows up threatening to distract him from all he s worked toward Eight years ago an irresponsible decision led to the death of Morgan Dalton s best friend Now she s returned home hoping to make amends When she obtains a job at the Orchard House Summer Camp Morgan wonders if a new life is possible until events at the camp cause her to relive her past in an all too frightening way Can Morgan bury the demons of her past before Bronson s Orchard House camp dreams disintegrate Book 5 in The Orchard House Bed and Breakfast Series is a contemporary twist on the well loved classic Little Women Readers will fall in love with the Martin family Maggie Josie Lizzie Bronson Amie and their mother Hannah each trying to find their own way in the world and each discovering that love home and hope are closer than they appear **Oops!** Hywel Roberts,2012-04-30 The book also shines a spotlight on the role of the teacher and how he or she can do the right things to get the absolute best from students Some of the best learning takes place when rather than imposing on young people a pre determined curriculum you find the stimulus that is relevant and engaging for them and build from there Then the curriculum starts to emerge in a way that simply hooks students into learning almost despite themselves There is nothing for them to push against What s the point This is boring as they have helped shape the direction of the lesson in a way that makes it real and useful to them All this without them even realising what is going on They have been lured into learning and the process is shared with teachers in this book with examples as to how it can be done and how the author has done it Reading this book will support teachers in developing ideas that motivate everybody in the classroom from infants to secondary and beyond Whether you re new to teaching or have vast experience you will find in this book inspiration to raise achievement improve behaviour and enhance creativity in the classroom and you will change the way you approach lesson planning forever Shortlisted for the Education Resources Awards 2013 Secondary Resource non ICT category Oops Book Launch Waterstones Sheffield May 2012
