

I love you because I know you're always there...  
there to catch me when I fall... there to listen  
when I need you, there when I feel alone. I love  
you because you understand me... you know how  
I feel even when I can't say it... you know I'm not  
as strong as I say and still you never let me know  
that I'm not fooling you. I love you because you  
make me believe, believe that I am not  
worthless... believe that I can be loved, am loved,  
and can love others. I love you because you  
know, you know I feel this way but can't say it  
and still you wait... letting me take my time to  
come to terms with the fact that I love you...  
would give my life up to be with you... and about  
all... never hurt you... lie to you... or leave you.  
Now I hope you understand.

Medical and Surgical Directory of the United States , 1886 Love's Long Journey Kathy Highley, 2016-08-31 Thirty years into a very long sentence Butch Cavanaugh sat stewing in his prison cell Numerous requests for parole had been denied Nonetheless Butch had thrived behind prison walls Hed developed a set of muscles that had nothing to do with his physique A power he had never experienced in the outside world made him a successful bully on the inside muscles that had afforded him favors and a measure of respect muscles that gave him confidence But the years had begun to take their toll and he had no desire to remain a prisoner for the rest of his life Pushing seventy he did not want to die in a cell with his throat cut Someone more clever and more persuasive waited to challenge his headship at the end of every decade

Colossians David J. Landegent, 2017-06-06 Some people cant see the forest for the treesthey get so bogged down in details that they lose sight of what its all about Others cant see the trees for the forestthey miss the wondrous details all around them So why not look instead at both the forest and the trees This commentary on Pauls letter to the Colossians guides you in doing just that Even though we will be exploring ancient biblical cultures and learning plenty about the Greek language no prior academic training is needed Technical terms have been set aside Instead with everyday language we will discover the big picture and revel in the fine details of this stunning letter amazed by how God is still speaking these same words today to contemporary personal and social challenges We will not then be tourists rapidly zipping through Colossians as if on a monotonous interstate highway Instead we will be hiking our way through this letter step by step phrase by phrase
