Long Pilgrimage Life And Teaching Of Shivapuri Baba:

Long Pilgrimage John Bennett, 2016-03-27 The book takes the form of six essays covering the life and teachings of Shri Govindananda Bharati known at the time of his death as the Shivapuri Baba. The first chapter describes his origins from his birth in 1826 in Kerala, his religious training and preparation, and his 40 year circumambulation of the world meeting all the major world leaders of his day and his forty year retirement in a forest hut outside Kathmandu. Subsequent chapters describe his practical teachings which are so simply explained and so universal that they will always be relevant to seekers. Ancient teachings are presented in a modern interpretation. The Shivapuri Baba himself described his teachings as the Bhagavad Gita brought up to date. The final chapter presents a revolutionary world view which reveals an immense wisdom and understanding of human destiny presented in a form that all can appreciate. The Shivapuri Baba left this life in January of 1963 and at that time few knew of him and nothing at all had been written about him. The present book was the first public account of the saint appearing in 1965. In 2001 Thakur Lal Manandhar's son Giridhar approached J. G. Bennett's family requesting the rights to republish in English and Nepali. Giridhar was able to provide a number of photographic images not published previously and many of which were from his own camera. The present edition is taken from the 2001 publication. At the launch of the book in Kathmandu in 2007 Giridhar was asked by a reporter whether the Shivapuri Baba had actually read what was written, noting that the text indicated that he had seen and approved it. Giridhar said that he believed that he had not read it and stating that at the end of his life the Shivapuri Baba did not want to engage with anything which would tie him to the world he was preparing to leave for the last time. To Dr Sarvepalli Radhakrishnan visiting in 1956 he said I teach three disciplines: physical, moral, spiritual. These disciplines form the foundation of Right Life, Swadharma, and the journals of Thakur Lal Manandhar relate how these disciplines were taught in the practical application to every day life. This is a simple but inspiring book from which everybody can benefit. *Long Pilgrimage* John Godolphin Bennett, Thakur Lal

The Greek Armenian teacher G. I. Gurdjieff was one of the most original and provocative spiritual teachers in the twentieth century West. Whereas much work on Gurdjieff has been either fawning or blindly critical, acclaimed scholar and writer Roger Lipsey balances sympathetic interest in Gurdjieff and his Fourth Way teachings with a historian's sense of context and a biographer's feel for personality and relationships. Using a wide range of published and unpublished sources, Lipsey explores Gurdjieff's formative travels in Central Asia, his famed teaching institution in France, the development of the Gurdjieff Movements, and music and, above all, Gurdjieff's fascinating

continuous evolution as a teacher Published on the 70th anniversary of Gurdjieff's death Gurdjieff Reconsidered delves deeply into Gurdjieff's writings and those of his most important students including P D Ouspensky and Jeanne de Salzmann Lipsey's comprehensive approach and unerring sense of the subject make this a must read for anyone with a serious

Awakening The Universal Heart Serge Beddington-Behrens, 2013-08-01 I invite you to come on a journey with me into one of the most important yet often most neglected dimension of yourself namely your heart I want to help you discover as I have slowly been discovering that our hearts not only hold the key to our being able to live a fuller and more meaningful life but also to our being able to play a part in helping heal our planet The change needed is a shift out of our primarily head focus into becoming increasingly heart centred where we are connected to our hearts and are potentially capable of moving mountains We are only going to be good activists if we have plenty of heart in our lives if we are big hearted with a well activated Heart A culture of Heart is vital if we are to heal the many wounds and splits that exist between different classes religions tribes and nations The book has been written from a place of great hope and joy based on knowledge that our world is changing and that the planetary heart is at last awakening **The Way To Be Free** John Godolphin Bennett, 2012-04-02

The central theme of this book is the difference between work from the mind and work from the essence Work from the mind produces skillful prisoners of illusion but prisoners all the same Work from the essence is the way to be free It is centered in the heart This book is compiled from conversations that took place between Bennett and his students and includes several sections from previously unpublished notes that were to be used in a definitive work on a complete system of Gurdjieff study It includes an essay on the Octave of Salvation written in the 1940s which shows Bennett's remarkable familiarity with the

spiritual traditions of Buddhism Hinduism and Christianity and which is a significant treatise in its own right Bennett was a master of structural thinking but always remained closely in touch with the concrete detail of experience This 2006 edition has a new foreword by Anthony Blake and was compiled and edited by Anthony Blake Encyclopedia of Occultism & Parapsychology Leslie Shepard,1991 A compendium of information on the occult sciences magic demonology superstitions spiritism mysticism metaphysics psychical science and parapsychology with biographical and bibliographical notes and comprehensive indexes *Far Out* Mark Liechty,2017-02-21 Westerners have long imagined the Himalayas as the world's last untouched place and a repository of redemptive power and wisdom Beatniks hippie seekers spiritual tourists mountain climbers diverse groups of people have traveled there over the years searching for their own personal Shangri La In *Far Out* Mark Liechty traces the Western fantasies that captured the imagination of tourists in the decades after World War II asking how the idea of Nepal shaped the everyday cross cultural interactions that it made possible Emerging from centuries of political isolation but eager to engage the world Nepalis struggled to make sense of the hordes of exotic enthusiastic foreigners They quickly embraced the phenomenon however and harnessed it to their own ends by building tourists fantasies into their national image and crafting Nepal as a premier tourist destination Liechty describes three distinct phases the postwar era when the country provided a Raj like throwback experience for rich Americans Nepal's emergence as an exotic outpost of hippie counterculture in the 1960s and its rebranding into a hip adventure destination which began in the 1970s and continues today He shows how Western projections of Nepal as an isolated place inspired creative enterprises and paradoxically allowed locals to participate in the global economy Based on twenty five years of research *Far Out* blends ethnographic analysis a lifelong passion for Nepal and a touch of humor to produce the first comprehensive history of what tourists looked for and found on the road to Kathmandu **Graceful Exits** Sushila Blackman,2005-05-10 Death is a subject obscured by fear and denial When we do think of dying we are more often concerned with how to avoid the pain and suffering that may accompany our death than we are with really confronting the meaning of death and how to approach it Sushila Blackman places death and life in a truer perspective by telling us of others who have left this world with dignity *Graceful Exits* offers valuable guidance in the form of 108 stories recounting the ways in which Hindu Tibetan Buddhist and Zen masters both ancient and modern have confronted their own deaths By directly presenting the grace clarity and even humor with which great spiritual teachers have met the end of their days Blackman provides inspiration and nourishment to anyone truly concerned with the fundamental issues of life and death **Select List of Recent Publications** East-West Center.
