In steely-eyed prose as richly allusive as any poetry he tells of the endurance and despair found among the men of his battalion including the harrowing acts of bravery that won him the Military Cross. Now back in print for American readers the volume includes a selection of Blunden's war poems that unflinchingly juxtapose death in the trenches with the beauty of Flanders's fields. *Undertones of War* deserves a place on the bookshelves of military buffs and poetry lovers.

God of Battles Peter Partner, 1998 Peter Partner shows how the ideal of the crusade God's War came to permeate medieval Christendom and how it influenced later Western societies. Above all this book examines the fear that Islamic fundamentalism excites in the west and warns against allowing crusading war propaganda to affect our judgment today.
