Long Way Home The Real People:

Long Way Home Lynn Austin, 2022 Peggy Serrano couldn't wait for her best friend to come home from the war. But the Jimmy Barnett who returns is much different from the Jimmy who left, changed so drastically by his experience that he can barely function. When he attempts the unthinkable and his parents check him into the VA hospital, Peggy determines to help the Barnetts unravel what might have happened to send their son over the edge, starting by contacting Jimmy's war buddies and trying to identify the mysterious woman in the photo they find in Jimmy's belongings. Seven years earlier, sensing the rising tide against her people, Gisela Wolff and her family flee Germany aboard the passenger ship *St. Louis*, bound for Havana, Cuba. Gisela meets Sam Shapiro, the love of her life, on board, but the ship is eventually denied safe harbor and sent back to Europe. This begins Gisela's perilous journey of exile and survival, made possible only by the kindness and courage of a series of strangers she meets along the way, including one man who will change the course of her life. Madison Bennett, 2010-07-29 *The Long Way Home* is the touching and heart-felt journey of Ellen Curtis, a middle-aged woman suddenly replaced by a younger version of herself after years of marriage. Ellen will spend the next six years devoting all of her time to her children and her nursing career. Now that her children are older, it's time for Ellen to begin her own life, and she boldly moves from the Midwest to Arizona. At forty-eight, she finds that the art of dating isn't like it used to be. With the encouragement of her mother and her children, Ellen tests out the waters of internet dating and, in the process, learns to laugh again. Over time, the strong, confident and feminine woman within her begins to emerge, and Ellen finds that she is once again ready to love and be loved. She meets Michael, a handsome, successful investment broker who charms his way into her heart. In Michael, Ellen would experience a once-in-a-lifetime love affair, only to have it taken from her. Will she ever be able to find the peace and forgiveness she so desperately searched for? Ellen will discover the answer while taking the long way home.

The Long Way Home John McCallum, 2012-07-01 The first-hand account of three Scotsmen and their dramatic escape from Nazi Germany's Stalag VIII-B prison camp during World War II. At the age of nineteen, Glasgow-born John McCallum signed up as a Supplementary Reservist in the Signal Corps. A little over a year later, he was in France, working frantically to set up communication lines as Europe once more hurtled towards war. Wounded and captured at Boulogne, he was sent to the notorious Stalag VIII-B prison camp, together with his brother Jimmy and friend Joe Harkin. Ingenious and resourceful, the three men set about planning their escape. With the help of Traudl, a local girl whom John had met while working in nearby Bad Karlsbrunn, they put their plan into action. In an astonishing coincidence, they passed through the town of Sagan, around which the seventy-six airmen of the Great Escape were being pursued and caught. However, unlike most of these other escapees, John, Jimmy, and Joe eventually made it to freedom. Now, due to the declassification of documents under the Official Secrets Act, John McCallum is finally able to tell the thrilling story of his adventure, in which he recaptures all the danger, audacity, and romance of one of the most daring escapes of the Second World War. A dashed good read, especially as his

escape was successful The Herald I couldn't stop turning the pages a great tale with a deep message George Robertson
