When Men Fell from the Sky Claire Andrieu, 2023-04-13 Between 1940 and 1945 more than 100 000 airmen were shot down over Europe a few thousand of whom survived and avoided being arrested *When Men Fell from the Sky* is a comparative history of the treatment of these airmen by civilians in France Germany and Britain By studying the situation on the ground Claire Andrieu shows how these encounters reshaped societies at a local level She reveals how the fall of France in 1940 may have concealed an insurrection nipped in the bud that the People's War in Britain was not merely a myth and that in Germany the racial community of the people had in fact become a social reality with Allied airmen increasingly subjected to lynching from 1943 onwards By considering why the treatment of these airmen contrasted so strongly in these countries Andrieu sheds new light on how civilians reacted when confronted with the war at home **RAF Evaders** Oliver Clutton-Brock, 2009-02-19 Stories of the British airmen shot down over Western Europe who evaded capture by the Germans and made their way to Allied territory during World War II During the five years from May 1940 to May 1945 several thousand Allied airmen forced to abandon their aircraft behind enemy lines evaded capture and reached freedom by land sea and air The territory held by the Germans was immense from Norway and Denmark in the north through Holland Belgium Luxembourg to the south of France and initially there was no organization to help the men on the run The first one to assist the evaders and escapers E named after a naval officer Pat O Leary from 1942 it became the PAO line Next was the Comet line from Brussels to the Pyrenees Thousands of brave people were to be involved for whom if caught the penalty was death Theirs is a stirring and awe inspiring story Respected historian Oliver Clutton Brock has researched in depth this secret world of evasion uncovering some treachery and many hitherto unpublished details operations and photos It is a tremendous reference work written in his own colorful style with numerous anecdotes which fills a gap of knowledge formerly unavailable to historians professional or amateur Packed the information key figure biographies and listings 2 094 evaders identified this is a valuable testimony to the courage of all those involved *The Second World War Through Soldiers' Eyes* James Goulty, 2016-07-31 What was it really like to serve in the British Army during the Second World War Discover a soldier's view of life in the British Army from recruitment and training to the brutal realities of combat Using first hand sources James Goulty reconstructs the experiences of the men and women who made up the citizen's army Find out about the weapons and equipment they used the uniforms they wore how they adjusted to army discipline and faced the challenges of active service overseas What happened when things went wrong What were your chances of survival if you were injured in combat or taken prisoner While they didn't go into combat thousands of women also served in the British Army with the ATS or as nurses What were their wartime lives like And when the war had finally ended how did newly demobilised soldiers and servicewomen cope with returning home The British Army that emerged victorious in 1945 was vastly different from the poorly funded force of 865 000 men who heard Neville Chamberlain declare war in 1939 With an influx of civilian volunteers

and conscripts the army became a citizens force and its character and size were transformed By D Day Britain had a well equipped disciplined army of over three million men and women and during the war they served in a diverse range of places across the world This book uncovers some of their stories and gives a fascinating insight into the realities of army life in wartime **Churchill's Sacrifice of the Highland Division** Saul David,1994 On 12 June 1940 more than a week after the last British troops had been evacuated from Dunkirk the 51st Highland Division was forced to surrender to General Erwin Rommel s 7th Panzer Division at St Valery en Caux More than 10 000 members of the Division were driven into five years of captivity in prison camps *The Auld Alliance* Stephen Wood,1989 The Long Way Round William Moore,1986-01-01

St. Valery Bill Innes,2012-11-01 The gallant rearguard action which led to the capture of the 51st Highland Division at St Val ry en Caux two weeks after the famous evacuation of the main British army from Dunkirk may have burned itself into the consciousness of an older generation of Scots but has never been given the wider recognition it deserves This new book re examines that fateful chain of events in 1940 and reassesses some of the myths that have grown up in the intervening years Two of the main contributors to this collection of soldiers reminiscences Angus Campbell from Lewis and Donald John MacDonald from South Uist were both traditional Gaelic bards Their work has been translated from their native language and reflects both the richness of the vocabulary they had acquired through the Gaelic oral tradition and their individual gifts as natural story tellers born out of that tradition These vivid accounts bring alive the chaos and horror of war and the grim deprivation of the camps and forced marches which so many endured Yet the personal stories also resound with the spirit humour and sense of comradeship which enabled men to fight on in desperate situations and refuse to be cowed by their captors *A Subject Bibliography of the Second World War, and Aftermath* A.
