Tolbert, 2006-10 About the book My Death it wasn't the worst thing to happen to me The worst thing was probably the feeling I had just before I pulled the trigger The feeling I had after wasn't that great either What do you think happens to you after you die Most people fear what will happen when they pass away Ronnie didn't give it much thought until after it happened His name was Ron Ward His life wasn't perfect and towards the end it got worse After he died he met a spirit named Yignatio Who's job it is according to Yignatio To greet you after you die and then decide what to do with you Ron is a little frightened of what might happen to him because he hasn't led the most reverent life Yignatio knows everything about Ron You should be afraid You don't know what's going to happen to you Yignatio said But the decision was made before you died this time I have

to send you back Ron didn't want to go back so he tried to fight it When Ron got back he had a secret He didn't follow Ygnatio's directions and his memory wasn't erased He remembers everything from his last life He thought he knew all the answers Soon he starts to learn that he's not Ron any more He meets a woman and has a conversation with her and doesn't realize it's his new Mom She sets him straight now and many times later in life Now his name is Tyler Tuttle He has a new family and a new life ahead of him
