Long Night's Journey into Day Alice L. Eckardt, A. Roy Eckardt, Irving Greenberg, Franklin H. Littell, 2016-11-08 Long Night's Journey Into Day is a stimulating and provocative attempt to deal with the impact and meaning of the Holocaust within contemporary Christian and Jewish thought To Jews the Holocaust is the most terrible happening in their history but it must also be seen as a Christian event The Eckardts call for a radical rethinking of the Christian faith in the light of the Holocaust examining such issues as the relation between human and demonic culpability the charge of God's guilt and the reality of forgiveness They clarify the theological meaning of the Holocaust and the responsibility that must be borne for it by the Christian Church and discuss possible responses to it as exemplified in the writings of selected modern theologians and

church councils This enlarged and revised edition takes into account new topics and developments including the issue of Austrian responsibility for the Holocaust the significance and aftermath of Bitburg and antisemitism in German feminism More detailed attention is also given to other modern genocides and occasions of humanly caused mass death Additional literary historical and religious works are considered and appropriate quotations incorporated The new edition also includes a revised preface an updated bibliography and two new appendices Arts & Humanities Citation Index ,2002 Life Stories Maureen O'Connor,2011-08-23 Memoirs autobiographies and diaries represent the most personal and most intimate of genres as well as one of the most abundant and popular Gain new understanding and better serve your readers with this detailed genre guide to nearly 700 titles that also includes notes on more than 2 800 read alike and other related titles The popularity of this body of literature has grown in recent years and it has also diversified in terms of the types of stories being told and persons telling them In the past readers advisors have depended on access by names or Dewey classifications and subjects to help readers find autobiographies they will enjoy This guide offers an alternative organizing the literature according to popular genres subgenres and themes that reflect common reading interests Describing titles that range from travel and adventure classics and celebrity autobiographies to foodie memoirs and environmental reads Life Stories A Guide to Reading Interests in Memoirs Autobiographies and Diaries presents a unique overview of the genre that specifically addresses the needs of readers advisors and others who work with readers in finding books **For Decades I Was Silent** Baruch G.
