Congressional Giants J. Michael Martinez, 2020-05-26 The Congress of the United States operates in the shadow of the American presidency which can make the legislative branch appear less important than the executive in our constitutional system of government And yet Congress is a co equal branch of government deriving its powers from Article I of the United States Constitution Love it or hate it the institution is a source of incredible power It behooves all Americans to learn more about Congress Although a single slender volume cannot provide information on all there is to know about Congress it can begin the journey In *Congressional Giants* political scientist J Michael Martinez explores the careers and achievements of 14 influential leaders of Congress men who either held formal positions within the chambers of Congress such as speaker of the House of Representatives or Senate majority leader or who served on important committees to determine how they shaped the course of American history **Diné Bahane'** Paul G. Zolbrod, 1984 Zolbrod's book offers the general reader a vivid introduction to Navajo culture *Army Extension Courses* United States. Army, 1938 *The Spectator*, 1885 **Dogs** Brandi Bethke, Amanda Burt, 2024-04-02 While previous studies of dogs in human history have focused on how people have changed the species through domestication this volume offers a rich archaeological portrait of the human canine bond Contributors investigate the ways people have viewed and valued dogs in different cultures around the world and across the ages **Letters from a Life Volume 3 (1946-1951)** Benjamin Britten, 2011-07-07 The third volume of the annotated selected letters of composer Benjamin Britten covers the years 1946-51 during which he wrote many of his best known works founded and developed the English Opera Group and the Aldeburgh Festival and toured widely in Europe and the United States as a pianist and conductor Correspondents include librettists Ronald Duncan *The Rape of Lucretia* Eric Crozier *Albert Herring* Saint Nicolas *The Little Sweep* and E M Forster *Billy Budd* conductor Ernest Ansermet and composer Lennox Berkeley publishers Ralph Hawkes and Erwin Stein of Boosey and the celebrated tenor Peter Pears Britten's partner Among friends in the United States are Christopher Isherwood Elizabeth Mayer and Aaron Copland and there is a significant meeting with Igor Stravinsky This often startling and innovative period is vividly evoked by the comprehensive and scholarly annotations which offer a wide range of detailed information fascinating for both the Britten specialist and the general reader Donald Mitchell contributes a challenging introduction exploring the interaction of life and work in Britten's creativity and an essay examining for the first time through their correspondence the complex relationship between the composer and the writer Edward Sackville West **Educated for Freedom** Anna Mae Duane, 2022-02 The powerful story of two young men who changed the national debate about slavery In the 1820s few Americans could imagine a viable future for black children Even abolitionists saw just two options for African American youth permanent subjection or exile *Educated for Freedom* tells the story of James McCune Smith and Henry Highland Garnet two black children who came of age and into freedom as their country struggled to grow from a slave nation into a free country Smith and Garnet met as schoolboys at the Mulberry Street

New York African Free School an educational experiment created by founding fathers who believed in freedom's power to transform the country Smith and Garnet's achievements were near miraculous in a nation that refused to acknowledge black talent or potential The sons of enslaved mothers these schoolboy friends would go on to travel the world meet Revolutionary War heroes publish in medical journals address Congress and speak before cheering crowds of thousands The lessons they took from their days at the New York African Free School 2 shed light on how antebellum Americans viewed black children as symbols of America's possible future The story of their lives their work and their friendship testifies to the imagination and activism of the free black community that shaped the national journey toward freedom **Apocalypse Ark** Don

Pendleton,2013-06-01 **WITHOUT MERCY** It's Judgment Day for the Church as militant members of a secret cult plot to destroy the Vatican and usher in the Apocalypse These so called soldiers of God arrive armed with a weapon of divine power which they claim is the biblical Ark of the Covenant stolen from its holy shrine in Ethiopia Their campaign to purge the earth of heretics has begun As the cult's hellish agenda spills blood in cities across the globe panic spreads Mack Bolan's mandate becomes to neutralize the threat by direct means His counterstrike begins on the ground in Ethiopia tracking the murderous trail toward Rome And he demands the ultimate sacrifice from those willing to kill for their faith death by Executioner

The Rediscovered Annals of Sherlock Holmes Terry Golledge,2022-09-14 In the 1980's and 1990's the late Terry Golledge wrote ten Holmes masterful pastiches that perfectly captured Dr Watson voice as well as Holmes's personality and methods Mr Golledge passed away in 1996 before these stories could be published In early 2022 Terry's son Niel Golledge reached out to Sherlockian editor David Marcum who was electrified to read such wonderful previously lost tales about The Heroes of Baker Street Now all of these valuable and sublime new additions to The Great Holmes Tapestry once unknown except to a very few are collected in an important new volume and available to the world A Recollection Introduction I The Pihdarus Papers II The Case of the Woman at Margate III The Grosvenor Square Furniture Van IV The Merton Fiends V The Addleton Tragedy VI The Crown of Light VII The Adventure of the Silk Scarf VIII The Bickstone Lodge Affair A Novella IX The Adventure of the Lonely Soldier X The Riverfront Affair All royalties from this collection are being donated for the benefit of the preservation of Undershaw a school for special needs students located at one of the former homes of Sir Arthur Conan Doyle
