The South: Travelogue02 K.K. Pierscieniak, 2013-12-13 There are a bazillion titles on bookstore shelves and more than a few are travel themed but let me assure you the Travelogues are different These aren't the got up had banana pancake for breakfast before shuffling off to see some temples kinds of stories That's probably because I'm not your typical fuddy duddy travel writer Real travel writers are glamorous but real traveling is all I know Vacations are when everything is safe and convenient and when you come to expect words like aioli on the menu and when every adventure can be charged to American Express Real traveling on the other hand is when everything can happen and nothing happens as planned and whatever happened ma ana it will seem like a damn fine stroke of luck At its most banal day to day real traveling is anything but normal and never glamorous Except maybe in retrospect The reality is that very often I have no idea where I'm going except that I am Nor how I'm gonna get there except that I will All these stories unfold as they may That's what these books are about That's what makes them different The Travelogues pick up where traditional travel literature leaves off They don't mess around pretending to describe every experience as if it were the feature in Cond Nast Traveler They do however reveal what it's really like to travel Out There They describe everything the good the twisted the ugly and occasionally the sublime No punches are pulled It's all in there These are all out of the ordinary experiences that lie within reach of ordinary people like you and I Anyone can go and do those things You too but only if you want to That's what the Travelogues are That's what
