The Long Ships Passing Walter Havighurst,1975 **The Long Ships Passing** Walter Havighurst,1942 The Great Lakes are unique in the geography of the earth and they have a singularly dramatic story For three hundred years the sounds of travel have echoed along their shores from the voyageurs songs and the schooners signal cannon to the deep voiced steamers of today From seas of legend and wilderness waterways they have become one of the great trade routes of the world The Long Ship Passing tells that story Book Jacket *The Long Ships Passing.
