Long Time Gone Charlie Donlea, 2025-04-29 When DNA results reveal a disturbing connection to the mysterious disappearance of a famous baby nearly three decades ago a woman s search for answers draws her to an ominous small town in Nevada and a dangerous web of corruption power and lies in this engrossing propulsive new novel from the internationally bestselling author of *Twenty Years Later* For fans of Alice Feeney Stacy Willingham Riley Sager and Megan Goldin THIRTY YEARS AGO BABY CHARLOTTE VANISHED TODAY SHE WANTS ANSWERS On the first day of an elite two year fellowship Sloan Hastings receives a research assignment in the emerging

Long admired for his books of poetry most recently China Blues and Dancing in the Dark David Donnell s poems continue to surprise and amaze us with their cool jazz of spontaneity and imaginative logic A sensual and intellectual feast Sometimes a Great Notion is a deconstruction of the contemporary artist s life it s also a tough compassionate look at the future of the future and our philosophy of love Culinary adventures and geography juxtapose with Japanese culture erotic interludes are interrupted by notes on Alex Colville giving us the clearest picture of convergence theory we ve had since Marshall McLuhan was a young man Here in poems like Luce or Pillows Donnell pushes the boundaries of minimalism in original and subtle ways and succeeds like peach ice cream on a hot day Moment after moment this is a provocative and refreshing book **All**

Douglass,2004-11

After twenty six year old author Breece D J Pancake took his own life in April 1979 the West Virginian s posthumously published short story collection made a considerable impact on the world of letters His work was praised for a controlled muscular style reminiscent of Hemingway for its strong undercurrent of emotion and for its evocation of the blighted lives of the mountain poor In A Room Forever Thomas E Douglass offers a detailed portrait of Pancake s short life examining the varied circumstances and emotional forces that led to the writer s suicide and exploring Pancake s influence on contemporary fiction generally and Appalachian writing in particular Drawing on notebooks letters and manuscripts left by Pancake as well as numerous conversations and interviews with family friends and others Douglass has recreated the key events of the young artist s life his West Virginia childhood his romantic losses his education as a writer at the University of Virginia and the acceptance of his work by the East Coast literary establishment Through analysis of the story fragments reproduced in this volume including The Conqueror and Shouting Victory Douglass illustrates the recurring themes such as fear of failure and the inability to escape disaster that Pancake expressed so eloquently in his work and he shows their origins in the writer s own personal history Douglass examines the degree to which Pancake drew on his memories of life in Appalachia and discusses Pancake s influence on other Appalachian writers such as Pinckney Benedict Douglass argues that Pancake s posthumous collection The Stories of Breece D J Pancake brought a renewed interest in regional writing to the national literary scene A Room Forever brings to life the artistic sensibility and inner turmoil of a legendary figure in contemporary southern letters **House of Darkness House of Light** Andrea Perron,2014-08-11 Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970 The Arnold Estate located just beyond the village of Harrisville Rhode Island seemed the idyllic setting in which to raise a family The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse Secrets were kept and then revealed within a space shared by mortal and immortal alike Time suddenly became irrelevant fractured by spirits making their presence known then dispersing into the ether The house is a portal to the past and a passage to the future This is a sacred story of spiritual enlightenment told some thirty years hence The family is now somewhat less reticent to divulge a closely guarded

experience Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf They consider the Perron family saga to be one of the most compelling and significant of a famously ghost storied career as paranormal researchers During a seance gone horribly wrong they unleashed an unholy hostess the spirit called Bathsheba a God forsaken soul Perceiving herself to be the mistress of the house she did not appreciate the competition Carolyn had long been under siege overt threats issued in the form of fire a mother's greatest fear It transformed the woman in unimaginable ways After nearly a decade the family left a once beloved home behind though it will never leave them as each remains haunted by a memory This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery an eternal journey for the living and the dead
