Emotions in American History Jessica C. E. Gienow-Hecht,2010-04-01 The study of emotions has attracted anew the interest of scholars in various disciplines igniting a lively public debate on the constructive and destructive power of

emotions in society as well as within each of us Most of the contributors to this volume do not hail from the United States but look at the nation from abroad They explore the role of emotions in history and ask how that exploration changes what we know about national and international history and in turn how that affects the methodological study of history In particular they focus on emotions in American history between the 18th century and the present in war in social and political discourse as well as in art and the media In addition to case studies the volume includes a review of their fields by senior scholars who offer new insights regarding future research projects A Soldier and a Woman Gerard J. De Groot, C

Peniston-Bird, 2014-07-30 The question of women's role in the military is extremely topical A Woman and a Soldier covers the experiences of women in the military from the late mediaeval period to the present day Written in two volumes this comprehensive guide covers a wide range of wars The Thirty Years War the French and Indian Wars in Northern America the Anglo Boer War the First and Second World Wars the Long March in China and the Vietnam War There are also thematic chapters including studies of terrorism and contemporary military service Taking a multidisciplinary approach historical anthropological and cultural the book shows the variety of arguments used to support or deny women's military service and the combat taboo In the process the book challenges preconceived notions about women's integration in the military and builds a picture of the ideological and practical issues surrounding women soldiers **National Trauma and Collective**

Memory Arthur G. Neal, 1998 Chronicles the major traumas of the 20th century in America the Depression Pearl Harbor McCarthyism the Cuban Missile Crisis the assassinations of John F Kennedy and Martin Luther King Vietnam Watergate Three Mile Island the Challenger explosion how we responded to them as a nation and what our responses mean

Americans and the Wars of the Twentieth Century Jenel Virden, 2008-02-04 Jenel Virden outlines the causes courses and consequences of the major wars of the Twentieth century in American history examining how the US became involved how the wars were fought and the domestic consequences Applying just war theory foreign policy as well as civil liberty are discussed Rethinking the Vietnam War John Dumbrell, 2012-07-19 The Vietnam War is one of the defining conflicts of the

twentieth century not only did it divide American society at every level the conflict also represented a key shift in Asian anti colonialism and shaped the course of the Cold War Despite its political and social importance popular memory of the war is dominated by myths and stereotypes In this incisive new text John Dumbrell debunks popular assumptions about the war and reassesses the key political military and historical controversies associated with one of the most contentious and divisive wars of recent times Drawing upon an extensive range of newly accessible sources Rethinking the Vietnam War assesses all aspects of the conflict ranging across domestic electoral politics in the USA to the divided communist leadership in Hanoi and grassroots antiwar movements around the world The book charts the full course of the war from the origins of American involvement the growing internationalization of the conflict and the swing year of 1968 to bitter twists in Sino Soviet rivalry and the eventual withdrawal of American forces Situating the conflict within an international context John Dumbrell also

considers competing interpretations of the war and points the way to the resolution of debates which have divided international opinion for decades *Peace Advocacy in the Shadow of War* Francis Shor, 2024-01-05 For peace advocates a corollary to Clausewitz's dictum that war is politics by other means might be that other politics could prevent war By highlighting both individual peace advocates and antiwar peace organizations from World War I through the wars of the 21st century the chapters will provide insights into how these individuals and organizations articulated their opposition to and mobilized against specific wars and international regional conflicts Organized roughly in chronological order each chapter will illuminate the socio historical conditions under which such peace advocacy contested state aggression and armed combat at the national and or transnational levels Beyond understanding the specific socio historical circumstances within which these antiwar and peace advocates and organizations operated and their resultant achievements and failures the book as a whole will examine the kind of politics that perpetuate war and those that offer a challenge to that perpetuation Scholars students and the general public interested in the history of modern and contemporary wars peace and conflict studies and ethical political perspectives in the 20th and 21st centuries should find much to reflect upon in this book *Bringing It All Back Home* Philip F. Napoli, 2025-09-23 Featured in the NY Emmy nominated documentary New York City's Vietnam Veterans CUNY TV A collection of heartrending oral histories that topples assumptions about the people who served in Vietnam The Vietnam War was a defining event for a generation of Americans But for years misguided and sometimes demeaning clichés about its veterans have proliferated widely Philip F Napoli's *Bringing It All Back Home* strips away the myths and reveals the complex individuals who served in Southeast Asia Napoli was one of the chief researchers for Tom Brokaw's *The Greatest Generation* and in the spirit of that enterprise his oral histories recast our understanding of a war and its legacy Napoli introduces a remarkable group of young New Yorkers who went abroad with high hopes only to find a bewildering conflict We meet a nurse who staged a hunger strike to promote peace while working at a field hospital a paratrooper whose experiences on the battlefield left him with emotional scars that led to violence and homelessness a black soldier who achieved an unexpected camaraderie with his fellow servicemen in racially tense times and a university administrator who helped to create New York City's Vietnam Veterans Memorial Some of Napoli's soldiers became active opponents of the war others did not But all returned with a powerful urge to understand the death and destruction they had seen Overcoming adversity a great many would go on to lead ambitious lives of public service Tracing their journeys from the streets of Brooklyn and Queens to the banks of the Mekong and back to the most glamorous corporations and meanest homeless shelters of New York City Napoli reveals the variety and surprising vibrancy of the ex soldiers experiences For almost everyone the time in Vietnam was the most exciting and the most alive time of your life one veteran recalls He adds I still have this little trick When I lie down and go to sleep if there's something bothering me I say You're warm you're dry and there is no one shooting at you **Safe Return** Michael Uhl, 2023-06-02 In 1971 antiwar activists Michael Uhl and Tod

Ensign founded the Safe Return Committee in New York City seeking amnesty for those who resisted the Vietnam War. While thousands of young Americans chose exile in Canada and Europe to avoid the draft, Safe Return worked on behalf of those who had come to oppose the war after entering the armed forces. Once in uniform, many ran afoul of a draconian system of military justice and institutionalized racism. They deserted in epidemic numbers, some to foreign exile. This book tells the story of the Committee's sponsored return of deserters and draft evaders in a series of actions widely publicized to build public support for their acts of resistance.
